

Nursing

A career in nursing can truly make a difference to the lives of people and communities. As the health sector expands, nursing is becoming increasingly complex and important. TAFE NSW maintains up-to-date and expert training for roles within, and related to, nursing, including enrolled nursing. If you have a positive outlook, patience and a desire to care for others, graduate with a TAFE NSW qualification and make a real difference.

Job opportunities

Enrolled nurses provide nursing care to patients in a variety of health, aged care, welfare and community settings under the supervision of registered nurses.

Industry demand²

The Health Care and Social Assistance industry is expected to continue to provide a significant share of new jobs.

Annual growth¹

In NSW, employment for enrolled nurses is forecast to grow 8.1% over the three years to 2025-26.

Qualifications you can earn at TAFE NSW

When you're looking to pursue a career in nursing and healthcare, you'll need to make sure you have the expert skills, the professional knowledge, and the recognised qualification that gives you the employment edge. Studying a TAFE NSW qualification can ensure that you will build the industry skills and make the necessary industry connections you need, to help you kickstart and grow your career.
