

Interior Design

Unleash your aesthetic to create captivating interior designs and to use your creative instincts to transform interiors, work with colours and meet client expectations. Study at TAFE NSW to refine your design skills, build your business skills, and become a creative force in industry where designers are in high demand.

Job opportunities

Interior designers plan, design, detail and supervise the construction of commercial, industrial, retail and residential building interiors to produce an environment tailored to a purpose, with particular emphasis on space creation, space planning, and factors that enhance living and working environments. Job opportunities exist as interior decorators or interior designers working in the commercial, environmental, residential or retail areas.

Industry connections

Industry connections are with a variety of interior programs/projects, interior design/decorator businesses, material or furniture suppliers, practicing designers, design associations, and gallery spaces.

Annual growth

Employment in interior design is expected to grow by +19.1% by 2026.[^]

Earning potential

Interior designers earn a median salary of \$1,586 per week.[^]
