Construction: Construction & Virtual Design

with TAFE NSW Schools Launchpad

The what

If you like working with your hands and seeing the results of your efforts, then the **CPC20220 Certificate II in Construction Pathways** is for you. You'll not only learn how to use thirty specific hand and power tools to bring a project to life, but you'll also be taught the basics of using virtual design software to create compelling and detailed models that allow for accurate cost estimates, and is an essential future-focussed tool in your construction toolbelt.

With real world experience through work placements and face-to-face learning, this course is a great pathway into a potential carpentry apprenticeship. We're excited for you to be a part of the virtual TAFE-delivered Vocational Education and Training (TVET) program to maximise your learning and complete your HSC with highly relevant and real world skills. Success is doing what you love, so discover your perfect career path with TAFE NSW.

The why

TAFE NSW Schools Launchpad:

- Is future-focussed, geared towards emerging and growth industries
- Teaches in-demand skills that employers want
- Contributes towards your HSC and ATAR*
- Gives you a head start in your career
- Allows you to try a career and/or ignite a passion
- Get a nationally recognised Certificate II qualification upon successful completion
- Provides you with credit towards further study at TAFE NSW*

Possible course pathways

Credit towards CPC30220 Certificate III in Carpentry and/or many other trade specific courses.*

The how

TAFE NSW Schools Launchpad offers:

- Teacher-led structured virtually delivered classes in real time
- Work placements in real world industries
- Face-to-face workshops to develop and demonstrate your practical skills
- 24/7 access to content – anywhere, anytime
- Collaboration with other students around NSW
- Access to leading industry software, simulated workplaces and tools

Next steps

Speak to your school Careers Adviser to explore your virtual TVET study options.
