# Financial Services: Accounting

with TAFE NSW Schools Launchpad

## The what

Accounting is a part of every successful business, big and small. With the Financial Services **FNS30322 Certificate III in Accounts Administration** you'll learn the fundamental concepts all accountants must know to launch a career in the financial sector or work in an accounting team. Top level math skills aren't essential, as teacher-led virtual classes will teach you all you'll need to know.

In this fast-paced course, you'll join our simulated organisation to start processing accounts and payrolls, providing customer service and producing financial reports. You will learn to apply your skills and knowledge to demonstrate autonomy and judgement and take responsibility to resolve problems. We're excited for you to be a part of the virtual TAFE-delivered Vocational Education and Training (TVET) program to maximise your learning and complete your HSC with highly relevant and real world skills. Success is doing what you love, so discover your perfect career path with TAFE NSW.

## The why

TAFE NSW Schools Launchpad:

- Is future-focussed, geared towards emerging and growth industries
- Teaches in-demand skills that employers want
- Contributes towards your HSC and ATAR\*
- Gives you a head start in your career
