

Information & Digital Technology: Game Design

with TAFE NSW Schools Launchpad

The what

So you'll never get anywhere playing games, huh? The international games industry is worth billions of dollars, and you could be a part of it. TAFE NSW Schools Launchpad is now offering a course that will give you a head start in a career while completing Year 11 and 12: the exciting **ICT30120 Certificate III in Information Technology**.

Get the career of your dreams and put years of gaming experience to good use as you learn to build game-ready assets for implementation into any popular game engine. You will learn sought after skills in design by using industry programs such as Autodesk Maya to build 3D models, animations and textures, Unreal Engine 5 to test your designs, and Adobe CC suite for 2D and audio editing. We're excited for you to be a part of the virtual TAFE-delivered Vocational Education and Training (TVET) program to maximise your learning and complete your HSC with highly relevant and real world skills. Success is doing what you love, so discover your perfect career path with TAFE NSW.

The why

TAFE NSW Schools Launchpad:

- Is future-focussed, geared towards emerging and growth industries
- Teaches in-demand skills that employers want
- Contributes towards your HSC and ATAR*
- Gives you a head start in your career
- Allows you to try a career and/or ignite a passion
- Get a nationally recognised Certificate III qualification upon successful completion
- Provides you with credit towards further study at TAFE NSW*

Possible course pathways

Credit towards ICT40120 Certificate IV in Information Technology.*

The how
