Primary Industries: Conservation & Ecosystem Management

with TAFE NSW Schools Launchpad

The what

There aren't many careers more rewarding or needed than restoring the planet, so the **AHC21020 Certificate II in Conservation and Ecosystem Management** will put you in high demand. This course will introduce you to the local environment and ecosystems via field trips led by a conservation specialist, showing how the environment can be regenerated.

You'll learn to identify flora and fauna, receive a basic introduction to Aboriginal culture and plant terms, plus get professional work placement with organisations like Local Land Services. We're excited for you to be a part of the virtual TAFE-delivered Vocational Education and Training (TVET) program to maximise your learning and complete your HSC with highly relevant and real world skills. Success is doing what you love, so discover your perfect career path with TAFE NSW.

The why

TAFE NSW Schools Launchpad:

- Is future-focussed, geared towards emerging and growth industries
- Teaches in-demand skills that employers want
- Contributes towards your HSC and ATAR*
- Gives you a head start in your career
- Allows you to try a career and/or ignite a passion
- Get a nationally recognised Certificate II qualification upon successful completion
- Provides you with credit towards further study at TAFE NSW*

Possible course pathways

Credit towards AHC31516 Certificate III in Indigenous Land Management and AHC31421 Certificate III in Conservation and Ecosystem Management.*

The how

TAFE NSW Schools Launchpad offers:

- Teacher-led structured virtually delivered classes in real time
- Work placements in real world industries
- Face-to-face workshops to develop and demonstrate your practical skills
- 24/7 access to content – anywhere, anytime
- Collaboration with other students around NSW
- Access to leading industry software, simulated workplaces and tools

Next steps

Speak to your school Careers Adviser to explore your virtual TVET study options.
