

Screen, Media & Broadcast

If you've dreamed of an exciting, fast-paced creative career in industries such as film and TV, animation and VFX, digital games, journalism or media, there are plenty of study options for you at TAFE NSW. Careers in screen and media are continually expanding as new technologies and platforms are created, making this industry more accessible, more exciting, and more globally relevant than ever.

Job opportunities

Film and TV production, directing, VFX, animation, podcasting, radio journalism and specialist makeup.

Industry partnerships

TAFE NSW has strong partnerships with Adobe, Netflix and Avid.

Annual growth

Filmed entertainment is expected to generate \$1.2 billion in revenue by 2023. Broadcaster Video on Demand (BVOD) is forecast to see a strong annual growth rate of 34.2% through to 2026. Radio is expected to become a \$1.22 billion sector by 2026, with a 3.7% annual growth rate. By 2026, gaming is forecast to account for over 37% of consumer entertainment and media revenues.[^]

International film production

Australia is experiencing a boom in film production, including Marvel Studios and ILM.

Qualifications you can earn at TAFE NSW

When you want to launch your career behind the camera, in front of the microphone, in the editing suite, or even the makeup trailer, you'll need the professional skills and knowledge built by studying an TAFE NSW qualification. When you study at TAFE NSW, not only can you earn an industry-recognised TAFE NSW qualification in a range of early childhood education and care course areas, but you will ensure that your career gets the best start possible.
