

# BE PROTECTED.

## USE MULTI-FACTOR AUTHENTICATION.

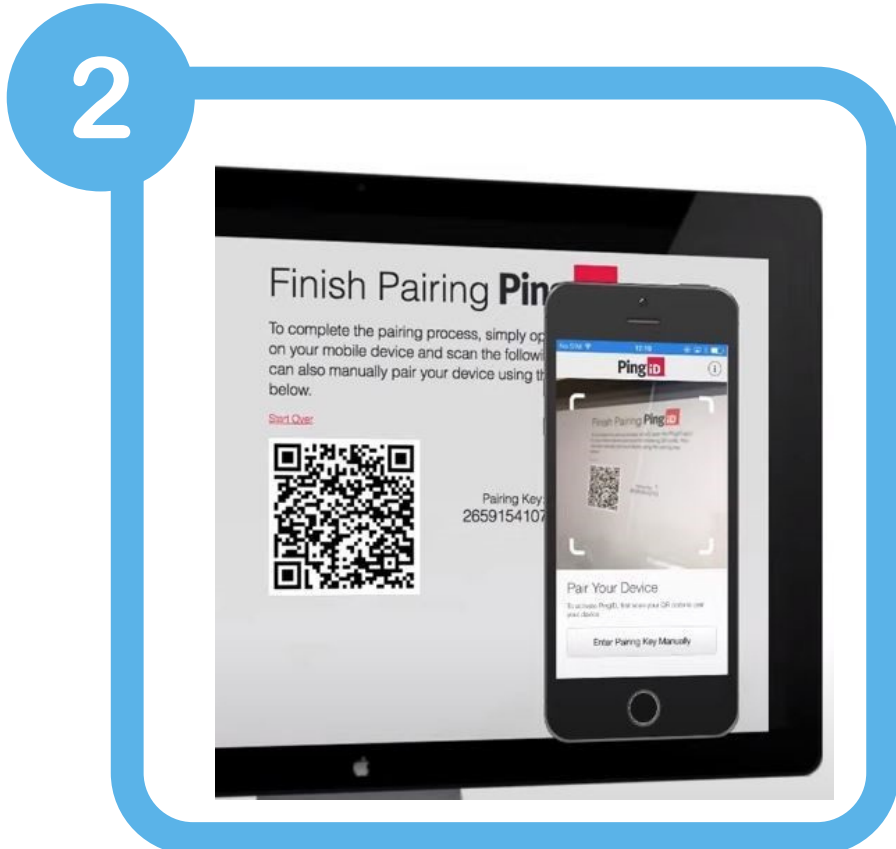

TAFE NSW has implemented Multi-Factor Authentication (MFA) to help protect Student information.

MFA provides extra security for you by confirming your login via your mobile device after typing in your password.

TAFE NSW uses the PingID app for MFA

Getting started with PingID MFA is as easy as Install, Pair, Authenticate!

- 
- 
- 

**INSTALL**

**PAIR**

**AUTHENTICATE**

For further information and help see: <https://www.tafensw.edu.au/mfa>
