THE WHAT

Health is a sector that is forecast for great growth, and students who successfully complete the **HLT33015 Certificate III in Allied Health Assistance** will be launched on a fulfilling career path to becoming an allied health assistant. You'll learn essential health terms, how to book and prepare clients for sessions, and how to assist an allied health professional as they treat a client.

Through work placements and virtual classes, you'll be confident and assured as you get the skills you need to work in a variety of allied health industries, such as physiotherapy and occupational therapy. We're excited for you to be a part of the new virtual TAFE-delivered Vocational Education and Training (TVET) program to maximise your learning and complete your HSC with highly relevant and real world skills. Success is doing what you love, so discover your perfect career path with TAFE NSW.

THE WHY

TAFE NSW Schools Launchpad:

- Is future-focussed, geared towards emerging and growth industries
