THE WHAT

A career in horticulture will help you play a pivotal role in delivering social and environmental value – and the **AHC20416 Certificate II in Horticulture** is great preparation for just such a career. Get your hands dirty as you create and maintain beautiful gardens, assist in soil sampling and learn to nurture and grow healthy plants. You'll also learn to install basic irrigation systems as you see a horticulture project through to completion.

We're excited for you to be a part of the new virtual TAFE-delivered Vocational Education and Training (TVET) program to maximise your learning and complete your HSC with highly relevant and real world skills. Success is doing what you love, so discover your perfect career path with TAFE NSW.

THE WHY

TAFE NSW Schools Launchpad:

- Is future-focussed, geared towards emerging and growth industries
