

BEAUTY

As a beauty professional you will be employed to conduct a variety of different skills and a broad range of beauty therapy treatments and services, which may include facial treatments, body massage and treatments, hair removal, lash and brow treatments, nail and make-up services. These services will include consultation with clients to provide beauty advice, recommend beauty treatments and services, and retail skincare and cosmetic products. In addition, a diploma qualified therapist can provide laser and IPL laser hair reduction services.

Job opportunities

Employment for Beauty Therapists is projected to rise to 50,700 by 2024[^]

Annual Growth +3.9%[^]

The Industry revenue is forecast to grow over the five years through 2024-25, to \$8.0 billion
