Horticulture and Landscaping

Horticulture is one of the fastest growing industries in Australia, playing an important role in delivering economic, social and environmental value. So if you're passionate about horticulture or landscaping, you like getting your hands dirty, have a green thumb or a love for constructed landscapes, gardens, or sports arenas, then our horticulture and landscaping courses can offer you a wide range of rural and urban opportunities.

Job opportunities

Horticulturist, landscape construction worker, landscape designer, greenkeeper, arborist, parks and garden worker.

Annual growth¹

Employment in NSW for the Landscaping and Horticulture sectors is projected to rise by 2.7% and 2.0% respectively over the three years to 2025-26.

Industry partnerships

Australian Institute of Horticulture, Arboriculture Australia, The Landscape Association, Australian Sports Turf Managers Association, Landscape Design Institute.

Qualifications you can earn at TAFE NSW

When you want to kickstart a career exploring the outdoors, and putting your green thumb to work with all things nature, you'll need the professional skills and knowledge built by studying a TAFE NSW qualification. When you study at TAFE NSW, not only can you earn an industry-recognised TAFE NSW qualification in a range of horticulture, production horticulture and landscape construction course areas, but you will ensure that your career gets the best start possible.
