Channel your passion and use your natural creative talents, to have a rewarding and fulfilling career designing amazing brand and advertising campaigns, beautiful logos and signage, innovative interactive graphics, 3D visuals, and inspiring posters. By studying at TAFE NSW, our talented teachers will help foster your creative gifts and develop your design skills and techniques, to set you up for a successful career and make your mark in the exciting print industries.

**Growing demand**
Printing companies are responding to changing market preferences by diversifying their offerings, including increasing their focus on digital printing, packaging and labelling services, and 3D printing. Demand for other printed products is growing, including printed consumer advertising, packaging and labelling, and consumer books.

**Industry partnerships**
Printing students are introduced to prominent printing industry professionals, including experts who supply the industry with up-to-date materials, equipment, technology and software. Students are also given industry connections through opportunities such as workplace visits, competitions, webinars, and guest speaker programs.

**Job opportunities**
Occupations that apprentices and trainees are employed include job roles such as print machinist, print finishers, graphic pre-press trades workers, printer’s assistants and printers.

**Earning potential**
Most employees work full time (87%), which is a much higher rate than the average (66%).

**QUALIFICATIONS YOU CAN EARN AT TAFE NSW**
When you want to kickstart a career working with printing and design, you’ll need the professional skills and knowledge built through studying at TAFE NSW. When you study a printing course at TAFE NSW, not only can you earn an industry-recognised TAFE NSW qualification, but our industry expert teachers ensure that you become fully trained with the hands-on, job-ready skills that employers demand.
