

Sport, Fitness & Recreation

Our qualifications in sport, fitness, and recreation can help you inspire others to achieve their recreational and fitness goals. Our industry expert teachers will help you understand how the industry works, give you the latest health and wellbeing insights, and help you to engage people in a variety of activities. When you study at TAFE NSW, you will have the opportunity to get hands-on in our simulated or real world facilities, meaning you'll always be ahead of the pack, no matter your career stage.

Job opportunities¹

Occupations forecast to experience an increase in employment numbers over the five years through to November 2026 include sports and fitness workers (7,800, 8.8%), fitness instructors (3,600, 9.8%) and sport coaches, instructors and officials (3,900, 9.8%).

Future opportunities[^]

Increased awareness of health and wellbeing benefits of physical activity will support growth of the sector.

Qualifications you can earn at TAFE NSW

Ensure that your career goes faster, higher, and stronger, by enrolling in a hands-on, practical sport, fitness, or outdoor recreation course, designed to give you the professional skills and knowledge you need. By studying a TAFE NSW course, not only can you earn an industry-recognised qualification in a range of sports and fitness areas, but you'll also receive the support you need to succeed.
