1. Introduction
TAFE NSW is committed to providing an inclusive and safe learning environment that ensures students have access to positive learning experiences, are respected and respectful, feel valued and safe, and benefit from their learning experiences.

When enrolling, students accept and agree to the terms and conditions of enrolment which include that the student is to comply with all relevant TAFE NSW policies, procedures and regulations at all times. The enrolment terms and conditions underpin the behaviour and conduct expected of TAFE NSW students.

2. Purpose

Where students do not meet and uphold the expected standards of behaviour and conduct, TAFE NSW will assess if a breach of the Student Conduct and Discipline Policy has occurred and may impose penalties having regard to the seriousness, impact and circumstances of the breach of conduct.

3. Scope
As a condition of enrolment and engagement in training with TAFE NSW, students have a responsibility to maintain a standard of behaviour and conduct that supports and maintains an inclusive, respectful and safe learning environment for themselves, other students and staff.
