

# IAT-C Weekly Construction Status Update

Institute of Applied Technology -  
Construction (IAT-C) & Multi-Trades

28 April 2023

# Context

---

TAFE NSW is delivering the Institute of Applied Technology - Construction; an \$84.5M Capital investment located at the TAFE NSW Nepean - Kingswood campus.

This new State of the Art, 5 Star Green Star Multi-trades facility will provide specialised training in construction, carpentry, electrical and plumbing, to support trades skills shortages in the Western Sydney Region.

The Institute of Applied Technology is a new education offering from the NSW Government, where leading educational institutions and industry will co-locate, co-design, and co-deliver theoretical and practical learning to empower people with the skills and experience they need to thrive in life and work. It will provide employable outcomes, transferrable skills, blended learning, and flexible pathways. This will ensure that NSW has a workforce ready to meet the needs of industry and future infrastructure demand.

# Our IAT-C Roadmap

# Highlights and Achievements (Week ending 28/04/2023)

- Continuation of blockwork to various areas
- Continuation of civil ground works
- Continuation of high-level services rough-in
- Continuation of external façade and glazing framing
- Continuation of internal partition framing, insulation, and internal wall sheeting
- Continuation of structural steel roof framing
- Commence stair 6 balustrade installation
- Skylight installation
- Concrete to retaining wall and rainwater tank
- Internal ceiling works

Roof and Central Atrium Skylight
