

IAT-C Weekly Construction Status Update

Institute of Applied Technology -
Construction (IAT-C) & Multi-Trades

24 November 2023

Context

TAFE NSW is delivering the Institute of Applied Technology - Construction; an \$84.5M Capital investment located at the TAFE NSW Nepean - Kingswood campus.

This new State of the Art, 5 Star Green Star Multi-trades facility will provide specialised training in construction, carpentry, electrical and plumbing, to support trades skills shortages in the Western Sydney Region.

The Institute of Applied Technology is a new education offering from the NSW Government, where leading educational institutions and industry will co-locate, co-design, and co-deliver theoretical and practical learning to empower people with the skills and experience they need to thrive in life and work. It will provide employable outcomes, transferrable skills, blended learning, and flexible pathways. This will ensure that NSW has a workforce ready to meet the needs of industry and future infrastructure demand.

Highlights and Achievements (Week ending 25/11/2023)

- Continuation of minor completion works
- Continuation of operational readiness
- Continuation of secondary trade structures
- Dressing of areas with planting
- Installation of Laptop Lending Kiosk
