BACHELOR OF 3D ART AND ANIMATION

COURSE CODE: HE20520

The Bachelor of 3D Art and Animation develops highly creative, technically skilled 3D design professionals by providing students with the creative, technical, communication and analytical skills needed for a successful career in this exciting industry.

Graduates of this course can establish themselves across a range of industries, including:

- filmmaking
- game design and development
- television
- online content development
- advertising

Delivered at the TAFE NSW Design Centre Enmore, the Bachelor of 3D Art and Animation has a strong emphasis on the development of technical knowledge and practical skills.

This course will prepare you for a career as a 3D and visual effects artist and animator. It can also lead to roles such as a 3D concept or pre-visualisation artist, a 3D modeller on interactive games, or an animator or visual effects coordinator on a feature film.

OTHER OPTIONS

A two-year Associate Degree of 3D Art and Animation, requiring the completion of 17 subjects and 160 credit points, and a one-year Diploma of 3D Art and Animation, requiring the completion of 8 subjects and 80 credit points, are also available.
