BACHELOR OF DESIGN
INTERIOR DESIGN
COURSE CODE: HE20501

A career-oriented degree, the Bachelor of Design (Interior Design) provides a strong multi-disciplinary design focus, preparing you to work as a commercial interior designer.

You will learn how to create innovative, original concepts for commercial interior design projects, how to explore the spatial, structural and material elements of built interior environments, and how to develop a comprehensive understanding of the interaction between people and spaces.

You will develop the ability to think critically, work proactively and manage complex design projects from an initial concept through to a successful, detailed resolution.

In your final year you will also complete a major project, specialising in an area of your own interest. You will also undertake an internship in a design practice, preparing you to enter the profession with confidence.

COURSE REQUIREMENTS
The Bachelor of Design (Interior Design) requires you to complete 24 subjects and a total of 240 credit points.
