LIAISE WITH OTHER ORGANISATIONS

BE READY FOR THE WORST - BE TRAINED BY THE BEST

The key to effective crisis management is the ability to connect with other agencies, share resources and develop innovative solutions to problems. Communities are best supported through strong relationships, consistent and open communication and established professional networks.

This unit supports personnel in developing skills and capabilities to formally liaise with others on behalf of their organisation. This is a companion course to the Inter-Agency Liaison Officer program offered by TAFE NSW.
