

AGRICULTURE COURSES

If you have a passion for plants and animals, geology, sustainability and the great outdoors, studying agriculture could be a perfect fit for you. Australia's agricultural sector continues to grow and break records as demand for Australian produce increases. Ongoing technological advancement and innovative new products and initiatives mean this sector offers you the chance to make a difference to the environment and to the people of Australia.

FULL-TIME WORK

ABOVE 90%

Agricultural Technicians have an above average proportion of full-time jobs.
