

AUTOMOTIVE REPAIR, PARTS AND SALES COURSES

AUTOMOTIVE REPAIR AND MAINTENANCE TRADES

Are you a hands-on problem solver with good numeracy and literacy skills and the drive to learn how things work? Does tomorrow's innovation and race technology get you revved up? Our specialist facilities, industry events and relationships, and courses for everyone from high school students to tradespeople, put you in pole position in this area of skills shortage.

"The things I learn at TAFE NSW are different to what I learn in my job. For example, you'll learn about the mechanical systems like brakes, engines, transmissions of different brands at TAFE. It's a really hands-on learning."
