If you like working with your hands and enjoy the satisfaction of creating something from scratch, a career in carpentry is a perfect fit. With our courses, you’ll learn how to use hand and power tools, work from plans and specifications to fabricate, install and construct, and learn how to select the correct materials. Completion of a qualification in this field may satisfy the educational requirements of the Office of Fair Trading for the issue of a carpentry trade contractor licence. You’ll be in the best position to construct an amazing career.

**EARNING POTENTIAL**

Carpenters earn on average $1,000 a week nationally.
