

LIBRARY AND INFORMATION SERVICES COURSES

Share facts that excite, inspire and help people discover new things, with a career in the library and information services sector. As a custodian of information, you will learn to catalogue, organise, digitise and maintain a variety of resources. Use your thirst for learning to help people access information, and to preserve and treasure knowledge, for generations to come.

"I absolutely loved the course. The teachers are such professional people. They like to push you to get the best out of you."
