

MARITIME AND MARINE ENGINEERING COURSES

TAFE NSW

The maritime industry offers exciting career options and allows you to travel the world. Australia's eastern seaboard, including the NSW north coast and Gold Coast, are hubs for maritime operations, with employment expected to almost double in the next eight years. Wherever you want to be based, there are plenty of study options to launch your maritime career at TAFE NSW.

JOB OPPORTUNITIES

8,200

people employed as marine transport professionals in Australia.
