

CERTIFICATE III IN WORK HEALTH AND SAFETY

COURSE CODE: BSB51315R1

If you're a skilled worker in your industry who would like to take on WHS responsibilities in addition to your main duties and learn a nationally recognised qualification; this is the course for you.

You'll learn

- Communication
- Problem solving
- Applying knowledge of WHS legislation in the workplace
- Contributing towards WHS hazard identification, risk assessment and risk control processes
- Contributing to WHS communication and consultation processes
- Taking part in WHS issue resolution processes
- Identifying preventing and reporting potential workplace emergency situations

AGSKILLED

AgSkilled is a NSW Government initiative, with industry partners Cotton Australia and the GRDC, to provide the Cotton and Grains industries with vocational training to drive the profitability and productivity of both industries.

To be eligible for AgSkilled subsidised training you must be working in or seeking employment in the NSW cotton or grains industry. You must also meet the Smart and Skilled eligibility requirements.

Applications are open year-round. For more information, or to submit an expression of interest, visit: tafensw.edu.au/agskilled

CAREER OPPORTUNITIES

When you successfully complete this course you may be employed in the cotton or grain industries as a:

- Supervisor with some WHS responsibilities
- Safety representative
- Safety committee member.

You may provide technical advice and support to a team and apply a range of competencies in varied work contexts.

ENTRY REQUIREMENTS

There are no entry requirements for this qualification.

CAREER PATHWAYS

Successful completion of this qualification can lead to further qualifications including BSB41415 Certificate IV in Work Health and Safety and BSB51315 Diploma of Work Health and Safety.
