

# CERTIFICATE IV IN WORK HEALTH AND SAFETY

COURSE CODE: BSB41415

**Earn a nationally recognised qualification and take on WHS responsibilities in your workplace.**

You'll learn:

- communication
- teamwork
- problem solving
- how to ensure your organisation is compliant with relevant WHS laws
- how to implement and maintain a WHS consultation and participation process
- to carry out WHS hazard identification
- risk assessment and control
- how to respond to WHS incidents.

## AGSKILLED

AgSkilled is a NSW Government initiative, with industry partners Cotton Australia and the GRDC, to provide the Cotton and Grains industries with vocational training to drive the profitability and productivity of both industries.

To be eligible for AgSkilled subsidised training you must be working in or seeking employment in the NSW cotton or grains industry. You must also meet the Smart and Skilled eligibility requirements.

**Applications are open year-round. For more information, or to submit an expression of interest, visit: [tafensw.edu.au/agskilled](http://tafensw.edu.au/agskilled)**

## COURSE DELIVERY

### FAST-TRACK 1 WEEK DELIVERY

**Duration:** 1 week delivery with 12 months to complete

**Attendance:** Blended delivery

## CAREER OPPORTUNITIES

When you successfully complete this course you may be employed in the cotton or grains industries as a:

- WHS Officer
- WHS Advisor
- Supervisor with significant WHS responsibilities.

## ENTRY REQUIREMENTS

There are no entry requirements for this qualification. Preferred pathways for candidates entering this qualification include:

- BSB30715 Certificate III Work Health and Safety or other relevant Certificate III qualifications
- Vocational experience in work health and safety roles without a formal qualification.

## CAREER PATHWAYS

Successful completion of this qualification can lead to further study in BSB51315 Diploma of Work Health and Safety.

<b>BSBWHS408</b>	Assist with effective WHS management of contractors
<b>PUAWER002B</b>	Ensure workplace emergency prevention procedures, systems and processes are implemented
<b>BSBWRT401</b>	Write complex documents

## COURSE FEES

This training is subsidised by the NSW Government. The fee for this course will depend on the availability of NSW Government subsidised training places, your eligibility to access a subsidised place and your personal circumstances regarding a concession or an exemption.

We can provide a personal fee assessment and find out if you are eligible for a government subsidised place. We can also discuss payment options with you. If you do not gain a NSW Government subsidised place you may be able to enrol and pay the non-subsidised fee for this course.

## RECOGNITION OF PRIOR LEARNING

If you have a set of skills or experience in this industry come and talk to TAFE NSW, we may be able to help you align those skills with a course and assist you to work out just what you need to do to get a nationally recognised qualification.

## UNIQUE STUDENT IDENTIFIER

A requirement of your enrolment includes providing your USI (Unique Student Identifier). The USI register is an Australia-wide registry and provides ongoing access to your records and results. You can register and obtain your USI at [www.usi.gov.au](http://www.usi.gov.au)
