

# THREE-DAY ONLINE TASTER PROGRAM.

TAFE NSW is Australia's leading provider of vocational education and training (VET) and has more than 130 years of experience in delivering training.

TAFE NSW International specialises in global educational partnerships, global industry partnerships, study tours, and professional development programs.

Our internationally recognised courses are accredited under the Australian Qualifications Framework and are highly regarded by industry and employers. We design and deliver customised training programs and services, for major government and commercial clients, in Australia and overseas.

The 'taster' programs target people who are already in the workforce and want to improve their workplace skills and knowledge, and for people who are wanting to enter the industry.

Our three-day, online courses showcase TAFE NSW's excellent delivery of vocational training.

Participants will learn about the Australian context of a course of your choice. There are hundreds of VET courses that you can choose from and TAFE NSW can customise the taster program to meet your needs.
