- The full nominal hours associated with Recognition of Prior Learning (RPL) activity are included in the number of hours reported.
- The term "Aboriginal" includes both Aboriginal and Torres Strait Islander people.
- Students with a disability enrolments include students who ask for help with their disability or who have specified a type of disability on their enrolment form.
- LBOTE = Language Background Other than English.
- Regional and Remote = Students from regional/remote areas refers to students living in areas classified as regional/remote under the Accessibility and Remoteness Index of Australia (ARIA) classification produced by National Centre for Vocational Education Research (NCVER).
- Diploma and above in this table includes Diploma, Advanced Diploma, Graduate Certificate, Graduate Diploma, Vocational Graduate Certificate, Vocational Graduate Diploma, Associate Degree and Bachelor qualifications.

- AQF course enrolments and completions include Certificate I to IV, and Diploma and higher.
- The table data does not reflect the percentage of commencing students who complete their qualifications. However, it does reflect the ratio of completions in any one year to the number of course enrolments. This means the percentages will be affected by changes in enrolments from year-to-year and the number of students who do not complete in the year in which they enrol.
