

ONE TAFE NSW DRIVING BUSINESS GROWTH

G R O

W T H

OUR VISION

One TAFE NSW:
Learning for jobs
and brighter futures

OUR PURPOSE

Skill the workforce
of the future

TAFE NSW

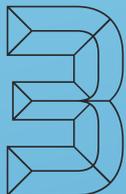

OUR STRATEGIC GOALS

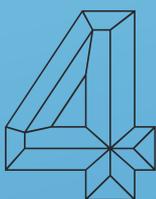

SKILL the State's workforce of the future as the provider of choice

BE a contemporary, commercial and sustainable business

SERVE our local communities

DEVELOP a customer-driven, proud and productive TAFE NSW team

OUR STRATEGY is to be a versatile and innovative publicly-owned commercial business, maximising the advantages of scale, reputation, reach and expertise.

We will drive innovation and best practice in education and training, offering world-class training solutions to support your business growth.

OUR COMMITMENTS TO YOU:

Responsive and timely communication

- A single point of communication that fits your business, no matter what your size or location
- Responding quickly to feedback from you, our valuable customers
- Improved transparency and accountability for how we operate

Customisable workforce solutions

- Focus on qualifications aligned to industry priority areas and higher level skills needed for the future
- Demonstrate the value our education solutions can deliver to your business
- Improved customer satisfaction with our products and services

Multi-sector training

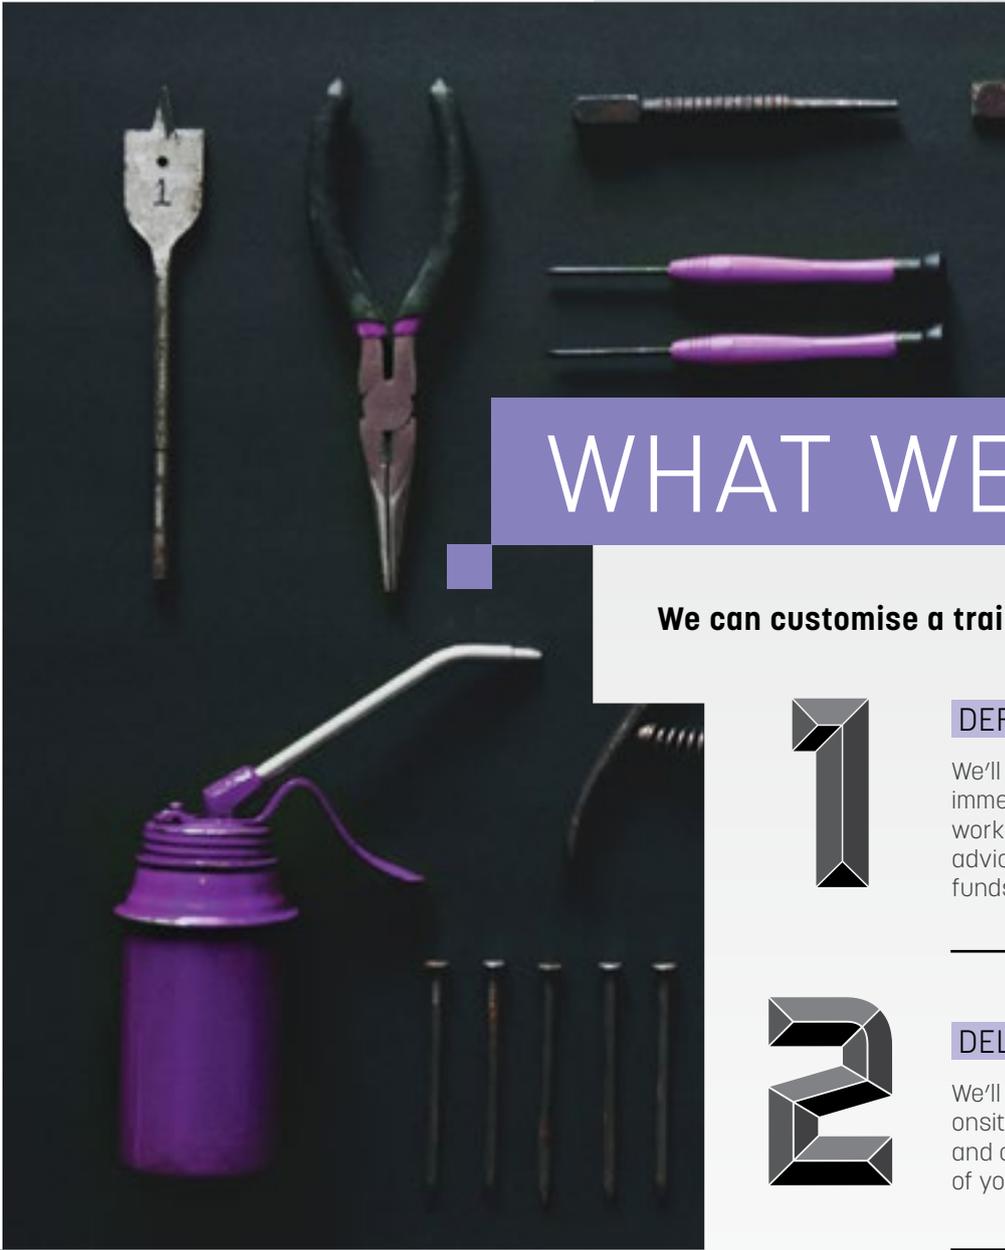

- A leader in innovation and education delivery with established industry links and partnerships
- Versatile delivery locations to suit your needs

More access to world-class facilities and industry-expert educators

- Better access to modern and fit-for-purpose facilities, technology and learning environments
- Our network of 'SkillsPoints' will develop and continuously optimise our training solutions for business

Clear and accountable decision-making

- Improved competitiveness in business operations reflected in increased and improved service of commercial operations
- A highly productive, skilled and responsive workforce operating in a performance-based, service-oriented culture

WHAT WE DO

We can customise a training solution for you:

1

DEFINE

We'll help identify your immediate and long-term workforce needs and provide advice on government training funds and incentive payments.

2

DELIVER

We'll deliver programs flexibly, often onsite, aligned to the specific skills and competency requirements of your business.

3

DESIGN

We'll tailor training solutions to meet your unique business needs.

4

DRIVE RESULTS

We'll provide measurement and feedback to determine your workforce capability outcomes.

- George Weston Foods
- NSW Sugar Cooperative
- Casella Wines

We're proud of the work we do with government and community organisations:

- NSW Police Force
- Salvation Army
- The Australian Foundation
- Sydney Olympic Park Authority
- Department of Health
- Taronga Zoo
- Lismore City Council

FIRST THINGS FIRST

**There are some things
we need to do right now:**

- Improve communication and customer service
- Improve invoicing and reporting
- Provide more flexibility in delivery of training
- Reduce red tape and bureaucracy
- Work more closely with industry

WE NEED YOU TO SUPPORT US

One TAFE NSW means you will benefit from our expertise regardless of your size or location.
