AMBITION BEGINS WITH TAFE NSW

TVET
TAFE-DELIVERED VOCATIONAL EDUCATION AND TRAINING

BE JOB READY
GAIN PRACTICAL SKILLS AND EXPERIENCE

2020
WITH DIRECT PATHWAYS TO FURTHER STUDY AND UNIVERSITY, TVET OPENS DOORS TO A RANGE OF FUTURE STUDY OPTIONS:

- full-time and part-time TAFE NSW courses that give you job-ready skills in a huge range of careers
- diploma and advanced diploma courses that provide credit towards TAFE NSW degrees and university courses
- apprenticeships and traineeships, which combine formal studies with work and on-the-job training
- pre-apprenticeship courses that give you skills to help enter the workforce
- recognition of prior learning gained through TVET, other HSC studies and employment

The material contained in this document is intended to provide you with general information on TAFE NSW TVET courses and should be used as a guide only. While every reasonable effort has been made to ensure that the information contained in this document was accurate and current at the time of publication, no warranty is given that the information contained herein is free from error or omission.

Contents
TVET (TAFE-DELIVERED VOCATIONAL EDUCATION AND TRAINING)

With TVET, you can get a head start on your career and complete a TAFE NSW course while still at school.

All TVET courses count towards your HSC, with some contributing towards an Australian Tertiary Admission Rank (ATAR).

WHAT IS TVET?

On successful completion of your TVET course, you will gain two credentials when you finish school; one from New South Wales Educational Standards Authority (NESA) and another from TAFE NSW.

TVET studies can be used to help you gain a place at a university by contributing to your ATAR. Your TVET qualification will also provide you with an industry qualification and count towards advanced standing in your next TAFE NSW course.

At TAFE NSW, you’ll gain work-related skills and experience that are recognised and valued by employers. In many TVET courses you will also be required to complete mandatory work placement, in addition to your theoretical training.

FREQUENTLY ASKED QUESTIONS

DOES MY TVET COURSE CONTRIBUTE UNITS TOWARDS MY HSC?

Yes, all TVET courses count towards your HSC units.

CAN MY TVET COURSE BE USED IN THE CALCULATION OF MY ATAR?

Only some TVET courses count towards an ATAR. These courses are specified by NESA and require students to complete a full 240 hours of delivery and also sit the HSC exam for the subject. You should check with your school careers adviser to ensure that you have a suitable pattern of study to be eligible for an ATAR.

WHERE DO I GO TO CLASS?

TVET classes are usually held at a TAFE NSW location, but sometimes TAFE NSW teachers will come to your school. There are courses delivered online, via a connected classroom model or as a block delivery.

WHEN DO I ATTEND CLASS?

Depending on the delivery mode and the arrangement between your school and TAFE NSW, classes may require attendance at TAFE NSW on a weekly basis, block periods or have an online or connected classroom timetable. Class sessions may extend into out of school hours, including school holiday periods.

HOW LONG WILL THE COURSE RUN FOR?

The course will run between one and two years, depending on the pattern of study undertaken.

WILL I GET ASSISTANCE IF I HAVE A DISABILITY?

Careful consideration will be given to the courses selected by students with a disability. The chosen course must be assessed as the most appropriate course for the student and one that will provide successful vocational outcomes. TAFE NSW will organise for you to be interviewed by a disability consultant and your school will need to complete an additional form to ensure any necessary support requirements are considered at time of placement.

WHAT ARE THE REQUIREMENTS OF A TVET COURSE?

TVET courses carry the same requirements as normal school courses. Attendance is mandatory unless prior consent is given. TAFE NSW requirements vary for each individual TVET course and will be clearly explained by the teacher at the start of your course.

HOW DO I APPLY?

Students are advised to speak to their school careers adviser or TVET coordinator to select a course that best meets their educational and vocational needs. Schools will then assist students with the application process.

WHAT SUPPORT SERVICES ARE OFFERED?

We believe flexibility and support is critical to ensuring the success of our students. That’s why we have a number of support teams and services available to you:

- Aboriginal student support
- Childcare facilities on-site at selected locations
- Car parking on-site for your safety and convenience
- Online courses so you can study when and where it suits you
- Academic support teams
- Career counselling

For more information about support services available at TAFE NSW visit www.tafensw.edu.au/student-services

SCHOOL-BASED APPRENTICESHIPS & TRAINEESHIPS

You can gain valuable work skills and experience while you are studying for the HSC as you combine paid work, school and TAFE NSW training.

At the end of your school-based apprenticeship you will have finished the full first year of your apprenticeship.

After successfully completing a school-based apprenticeship or school-based traineeship, you will receive a TAFE NSW transcript of academic record which may count towards further study.

For more information visit www.sbatinnsw.info

BOARD-DEVELOPED COURSES

INDUSTRY CURRICULUM FRAMEWORK (ICF) COURSES

TVET ICF courses will count towards your ATAR (provided you meet all of the HSC syllabus requirements), your HSC and a TAFE NSW qualification.

ICF courses are developed by the NSW Education Standards Authority and include a range of industry areas.

WHAT’S NEXT?

BOARD-DEVELOPED COURSES

AUTOMOTIVE

AUR20716 Certificate II in Automotive Vocational Preparation

STREAM FOCUS AREAS:
Mechanical Technology
Vehicle Body

Course description: You will gain a range of skills suitable for employment in the automotive industry. There are two streams of study available focusing on providing you with the knowledge and skills needed to perform minor service and preparatory work in the light or heavy vehicle mechanical area of the automotive industry, or in auto body repair work industry.

Career opportunities: Trades assistant, vehicle service assistant, automotive service assistant, trainee service person, vehicle body repair assistant, vehicle detailer, refinishing assistant and trim assistant, automotive trainee and/or automotive apprentice.

INTERACTIVE EDITION

Want to learn more about your perfect career choice?
Just download the ‘Be Ambitious’ app, look for the BE symbol, then scan your mobile or tablet over the page to see what our students and graduates have to say about your career choice!

HOW TO USE THIS GUIDE

Each course has a brief description and includes some career opportunities and ideas about what you can study after you have finished your TVET course. See the key below to find out more about each course:

ATAR
This course can contribute to your Australian Tertiary Admissions Rank.

WP
This course includes mandatory work placement hours.

SBAT
This course may be offered as a school-based apprenticeship or traineeship.

SS
Specialisation study available - additional study is available in this area.

You must be currently studying the 240 hour course at school or TAFE NSW.

Each course shows a possible qualification outcome. Not all NESA syllabuses provide a full qualification outcome. Depending on the syllabus and your chosen pattern of study, you may achieve a full qualification or you may achieve a Statement of Attainment towards a qualification. Every student will receive a transcript of competencies achieved at the end of their studies.
BUSINESS SERVICES

BSB20115 Certificate II in Business
BSB30115 Certificate III in Business Administration
Course description: You will acquire a range of business, technology, interpersonal and organisational skills for employment in clerical and administrative positions.
Career opportunities: Office administrator, administration or office assistant, receptionist, personal assistant.

WHAT'S NEXT?

BSB30915 Certificate III in Business Administration (Education)
BSB30915 Certificate III in Business Administration (Legal)
BSB30915 Certificate III in Business Administration (Medical)
BSB40215 Certificate IV in Business
BSB50215 Diploma of Business
BSB60215 Advanced Diploma of Business
HE20514V01 Bachelor of Business

CONSTRUCTION

CPC20112 Certificate II in Construction
Course description: These hands-on courses will give you a practical introduction to the construction industry, showcasing the broad range of career opportunities available.
Career opportunities: Carpenter, joiner, roof tiler, plasterer, bricklayer, painter and decorator, floor finisher or plumber.

WHAT'S NEXT?

RII30915 Certificate III in Civil Construction
CPC30211 Certificate III in Carpentry
MSF3193 Certificate III in Cabinet Making (Furniture)
CPC30811 Certificate III in Bricklaying Blocklaying
CPC30611 Certificate III in Painting and Decorating
CPC30313 Certificate III in Concreting
CPC30911 Certificate III in Solid Plastering
CPC31811 Certificate III in Wall and Floor Tiling
CPC31812 Certificate III in Shopfitting
CPC40110 Certificate IV in Building and Construction (Building)
RII40615 Certificate IV in Civil Construction Operations
RII40855 Certificate IV in Civil Construction Design

Please note that not all courses are available in all TAFE NSW campuses. Please speak with your School Career Advisor for available courses.

### ELECTROTECHNOLOGY

#### UEE20811 CERTIFICATE II IN COMPUTER ASSEMBLY AND REPAIR

**Course description:** These courses will provide you with entry level training for employment in the electrotechnology industry. You will cover skills in safe work practices, problem solving and routine work activities. Learn how to design, install, service, repair and maintain electrical and electronic equipment.

**Career opportunities:** Apprenticeships in the areas of air conditioning, refrigeration and electrical fitting.

**WHAT'S NEXT?**

- UEE30811 Certificate III in Electrotechnology Electrician
- UEE32211 Certificate III in Air conditioning and Refrigeration
- UEE33211 Certificate III in Electrical Fitting
- AUB3031 Certificate III in Automotive Electrical Technology
- UEE50411 Diploma of Electrical Engineering

---

### ELECTROTECHNOLOGY (MECHATRONICS FOCUS)

#### UEE20811 CERTIFICATE II IN ELECTROTECHNOLOGY (CAREER START) (MECHATRONICS FOCUS)

**Course description:** Interested in robotics? The focus of this course is the new and exciting field of Mechatronics. Mechatronics combines mechanics and electronics as it applies to the design of robotics and industrial automation. Mechatronics now plays a significant role in the automotive industry and is the basis of all modern industrial manufacturing, from pharmaceuticals to components for space exploration.

**Career opportunities:** Mechatronic or systems engineer.

**WHAT'S NEXT?**

- MEM50212 Diploma of Engineering Technical

---

### ENTERTAINMENT

#### CUA30415 CERTIFICATE III IN LIVE PRODUCTION AND SERVICES

**Course description:** Learn about aspects of production, live performances and events including audio, costume, front of house, lighting, make-up, props, scenic art, sets, staging and vision systems.

**Career opportunities:** Employment in the screen, media, entertainment, events and creative arts industries.

**WHAT'S NEXT?**

- CUA50415 Diploma of Live Production and Technical Services

---

### FINANCIAL SERVICES

#### FNS30317 CERTIFICATE III IN ACCOUNTS ADMINISTRATION

**Course description:** You will learn about industry entry level activities such as accounts payable, accounts receivable, payroll, cashier functions, preparation of trial balance, bookkeeping, EFT/tele-business, purchases and sales, manual and computerised systems and preparation of basic financial reports.

**Career opportunities:** Employment in accounts receivable/payable and computer based bookkeeping.

**WHAT'S NEXT?**

- FNS30315 Certificate III in Accounts Administration
- FNS40515 Certificate IV in Accounting
- FNS40215 Certificate IV in Bookkeeping
- FNS50215 Diploma of Accounting
- FNS60215 Advanced Diploma of Accounting
- HE20532V02 Bachelor of Applied Commerce majoring in Accounting

---

Please note that not all courses are available in all TAFE NSW campuses. Please speak with your School Career Advisor for available courses.
HOSPITALITY

SIT20316 CERTIFICATE II IN HOSPITALITY
SIT20416 CERTIFICATE II IN KITCHEN OPERATIONS

STREAM FOCUS AREAS:
Food and beverage
Kitchen operations and cookery

Course description: This course will give you the skills to prepare a restaurant, serve customers, prepare beverages and conduct basic food preparation, customer relations and the principles of hygiene and food safety.

Career opportunities: Work in various hospitality settings such as restaurants, hotels, motels, catering operations, clubs, pubs, cafes and coffee shops.

WHAT’S NEXT?
SIT30616 Certificate III in Hospitality
SIT30615 Certificate III in Commercial Cookery
SIT40416 Certificate IV in Hospitality
SIT40516 Certificate IV in Commercial Cookery
SIT50516 Diploma of Hospitality Management

Please note that not all courses are available in all TAFE NSW campuses. Please speak with your School Career Advisor for available courses.

HUMAN SERVICES

HLT33015 CERTIFICATE III IN ALLIED HEALTH
HLT33115 CERTIFICATE III IN HEALTH SERVICE ASSISTANCE (ASSISTING IN NURSING WORK IN ACUTE CARE)
CHC33015 CERTIFICATE III IN INDIVIDUAL SUPPORT (AGEING)

STREAM FOCUS AREAS:
Allied health
Nursing assistance in acute care
Aging, independence and wellbeing

Course description: If you are considering a career in the health industry then the above qualifications will help you achieve your first step. Choose from an allied health career or nursing in an acute or aged care setting.

Career opportunities: Podiatry, physiotherapy, occupational or speech therapies, nursing and aged care.

WHAT’S NEXT?
HLT43015 Certificate IV in Allied Health Assistance
CHC43015 Certificate IV in Ageding Support
CHC43415 Certificate IV in Leisure and Health
HLT54115 Diploma of Nursing

Please note that not all courses are available in all TAFE NSW campuses. Please speak with your School Career Advisor for available courses.
MEM10105 CERTIFICATE I IN ENGINEERING
Course description: Develop a broad range of skills and knowledge about the manufacturing, engineering and related service industries including metal fabrication, metal manufacturing and metal machining.

Career opportunities: Entry level employment in the manufacturing, metals, engineering and related industries.

MEM40105 Certificate III in Engineering (Fabrication)
MEM40305 Certificate IV in Engineering (Manufacturing)
MEM50212 Diploma of Engineering - Technical (Mechanical)

WHAT'S NEXT?
ICT30115 Certificate III in Information, Digital Media and Technology
ICT30215 Certificate III in Information Systems and Technology
ICT30315 Advanced Diploma of Information Technology

RETAIL SERVICES

SIR2016 CERTIFICATE II IN COMMUNITY PHARMACY
SIR30216 CERTIFICATE III IN RETAIL

STREAM FOCUS AREAS:
Community pharmacy
General selling focus
Food selling

Course description: This qualification provides the skills and knowledge for you to work in the retail industry in a variety of retail stores such as specialty stores, supermarkets, department stores and quick service restaurants. Students will gain skills in communication, teamwork, problem solving, initiative, enterprise, planning and organising, self-management, learning and technology.

Career opportunities: A range of positions in retail sales, such as frontline team member and customer service. Frontline team members, customer service assistant.

WHAT’S NEXT?
SIR30216 Certificate III in Retail
SIR40316 Certificate IV in Retail Management

TOURISM, TRAVEL AND EVENTS

SIT30216 STATEMENT OF ATTAINMENT TOWARDS CERTIFICATE III IN TRAVEL
SIT30116 CERTIFICATE III IN TOURISM
SIT30516 CERTIFICATE III IN EVENTS

Course description: Gain skills for employment in a range of sectors in the tourism and events industries, focussing on providing customer service, tourism advice and communicating with customers from diverse backgrounds.

Career opportunities: Events coordinator, conference assistant, tourism consultant, reservations clerk, group tour coordinator, sales officer, tour/museum guide, conference manager, events manager.

WHAT’S NEXT?
SIT30516 Certificate III in Events
SIT30116 Certificate III in Tourism
SIT40116 Certificate IV in Travel and Tourism
SIT50116 Diploma of Travel and Tourism Management
SIT50316 Diploma of Event Management
SIT50115 Advanced Diploma of Travel and Tourism Management

Please note that not all courses are available in all TAFE NSW campuses. Please speak with your School Career Advisor for available courses.
ANIMAL STUDIES

ACM20117 CERTIFICATE II IN ANIMAL STUDIES
ACM30110 CERTIFICATE III IN ANIMAL STUDIES

Course description: These courses will give you an entry point into the animal care industry. You will develop the skills and knowledge required for the care and maintenance of animals including handling, feeding, grooming, health and hygiene practices.

Career opportunities: Animal care attendant, animal shelter attendants, kennel hand, cattery attendant, pet shop attendant, assistant dog groomer, zookeeper, veterinary nurse.

WHAT’S NEXT?

ADCM2017 Certificate III in Animal Studies
ADM40412 Certificate IV in Veterinary Nursing

APPLIED FASHION DESIGN AND TECHNOLOGY

MST20416 CERTIFICATE II IN APPLIED FASHION DESIGN AND TECHNOLOGY

Course description: This course will provide you with an introduction to the fashion industry.

Career opportunities: Fashion design pattern maker, garment production assistant.

WHAT’S NEXT?

MST30816 Certificate III in Applied Fashion Design and Technology
MST50116 Diploma of Applied Fashion Design and Merchandising
HE20506V01 Bachelor of Fashion Design

Please note that not all courses are available in all TAFE NSW campuses. Please speak with your School Career Advisor for available courses.
AQUACULTURE

SF120111 Certificate II in Aquaculture

Course description: If you love being outdoors, this course provides an understanding of the aquatic environment and is a great introduction to the aquaculture industry.

You will gain a range of valuable aquaculture skills including water quality monitoring, stock handling, harvest, and post-harvest handling.

Career opportunities: Aquaculture farm hand, hatchery assistant or aquaculture technician.

AVIATION AND AEROSKILLS

AV13016 Statement of Attainment Towards Certificate III in Aviation (Cabin Crew)

ME120415 Certificate II in Aeroskills

AV13026 Certificate II in Aviation (Ground Operations and Service)

AV13036 Certificate III in Aviation (Remote Pilot - Visual Line of Sight)

Course description: These courses will prepare you for employment within the sought after aviation industry, opening up a wide range of career opportunities in Australia and around the world.

Career opportunities: Entry level work in the aviation industry, such as cargo services operator, cabin crew, check in and customer service assistant and baggage handler.

WHAT’S NEXT?

SF130111 Certificate III in Aquaculture

WP SS

AV12016 Certificate II in Aviation (Flight Operations - Cargo Services)

AV12026 Certificate II in Aviation (Ground Operations and Service)

AV13016 Certificate III in Aviation (Cabin Crew)

AV13046 Certificate III in Aviation (Ground Operations and Service)

MEA14016 Certificate IV in Aeroskills (Mechanical) (Component Maintenance Workstream)

MEA41315 Certificate IV in Aeroskills (Structures)

MEA40715 Diploma of Aeroskills (Avionics)
BEAUTY SERVICES

SHB20116 Certificate II in Retail Cosmetics
SHB30215 Certificate III in Make-up
SHB30315 Certificate III in Nail Technology

Course description: Acquire skills in designing and applying make-up, cleansing skin, demonstrating the use of skin care products and applying nail technology. Learn to use your product knowledge to consult with clients and make recommendations on products.

Career opportunities: Make-up artist or beauty assistant working in the film/television industry or beauty salon.

SHB30115 Certificate III in Beauty Services
SHB30215 Certificate III in Make-up
SHB30315 Certificate III in Nail Technology
SIB40115 Certificate IV in Beauty Therapy
SHB50115 Diploma of Beauty Therapy
CUA50115 Diploma of Screen and Media (Specialist Make-up Services)

WHAT’S NEXT?

COMMUNITY DANCE, THEATRE AND EVENTS

CUA30213 Certificate III in Community Dance, Theatre and Events

Course description: Throughout this course you will develop skills in acting, singing and movement and learn how to apply them in musical theatre and the entertainment industry.

Career opportunities: Actor, musical theatre performer, singer, dance teacher.

CUA30213 Certificate III in Community Dance, Theatre and Events
CUA40323 Certificate IV in Dance Teaching and Management
CUA40113 Certificate IV in Dance
CUA50313 Diploma of Dance Teaching and Management

WHAT’S NEXT?

SHB30115 Certificate III in Beauty Services
SHB30215 Certificate III in Make-up
SHB30315 Certificate III in Nail Technology

CHC52015 Diploma of Community Services (Case Management)
HE20528V01 Bachelor of Community Services

DESIGN FUNDAMENTALS

CUV30715 CERTIFICATE III IN DESIGN FUNDAMENTALS

Course description: This course is for students interested in learning the basic principles and fundamental skills of design. You can choose from design fundamentals, 3D animation and visual effects, digital and graphic design, fashion design, production design, film, theatre and events, drawing and illustration as well as interior design.

Career opportunities: Employment in wide range of design industry areas.

WHAT’S NEXT?

CUA30715 Certificate III in Design Fundamentals
CPC32111 Certificate III in Signage
CUA40715 Certificate IV in Design
ICT50215 Diploma of Digital and Interactive Games
MSF50213 Diploma of Interior Design and Decoration
CUA50715 Diploma of Graphic Design
MST50110 Diploma of Applied Fashion Design and Merchandising
MSF60113 Advanced Diploma of Interior Design
HE20520V02 Bachelor of 3D Art and Animation
EARLY CHILDHOOD EDUCATION AND CARE

CHC30113 CERTIFICATE III IN EARLY CHILDHOOD EDUCATION AND CARE

Course description: This course will give you the skills to begin a career in early childhood education and care. You will work with young children and assist in their educational development. This course will develop skills in planning, implementing and managing programs in early childhood education and care settings, in accordance with licensing, accreditation and duty of care requirements. This course will give you the opportunity to complete the full Certificate III in Early Childhood Education and Care as part of your HSC.

Career opportunities: Early childhood educator in a regulated early childhood service e.g. preschool, long day care and family day care.

WHAT’S NEXT?

CHC40113 Certificate IV in School Age Education and Care
CHC50113 Diploma of Early Childhood Education and Care
CHC50213 Diploma of School Age Education and Care
CHC50313 Diploma of Child, Youth and Family Intervention
HE20510V02 Bachelor of Early Childhood Education and Care (Birth-5)

ENGINEERING PATHWAYS

MEM20413 CERTIFICATE II IN ENGINEERING PATHWAYS

Course description: This course introduces you to the skills and knowledge required to complete a range of engineering and manufacturing tasks required for apprenticeships, traineeships or entry level employment in an engineering related workplace. You will develop trade-like skills include welding and machining. You will also learn to use engineering tools and equipment to produce or modify objects.

Career opportunities: Successful completion of the course could lead to a traineeship or apprenticeship in light fabrication, heavy fabrication or fitting and machinery.

WHAT’S NEXT?

MEM40105 Certificate III in Engineering (Fabrication)
MEM40105 Certificate IV in Engineering
MEM50212 Diploma of Engineering - Technical (Mechanical)

FITNESS

SIS30315 STATEMENT OF ATTAINMENT TOWARDS CERTIFICATE III IN FITNESS

Course description: Do you love sport and exercise? Interested in the science behind it? Then this is the course for you. You will learn about anatomy and physiology principles, how to plan, deliver and monitor exercise programs and how to make healthy eating recommendations.

Career opportunities: Personal trainer, fitness facility manager and special needs trainer in a wide range of fitness settings, gyms and sports centres.

WHAT’S NEXT?

SIS30315 Certificate III in Fitness
SIS40215 Certificate IV in Fitness
SIS50215 Diploma of Fitness (Management)
SIS5015 Diploma of Sport and Recreation Management
SIS50612 Diploma of Sport Development

FLORISTRY

SFL20115 CERTIFICATE II IN FLORISTRY (ASSISTANT)

Course description: This course will train you to produce a range of floral products, care for floristry stock, indoor plants and teach you how to work with customers.

Career opportunities: Floristry assistant.

WHAT’S NEXT?

SFL30115 Certificate III in Floristry
SFL40215 Certificate IV in Floristry

Please note that not all courses are available in all TAFE NSW campuses. Please speak with your School Career Advisor for available courses.
FURNITURE MAKING PATHWAYS

MSF20516 CERTIFICATE II IN FURNITURE MAKING PATHWAYS
Course description: You will learn the skills needed to create and install freestanding furniture pieces or built-in cabinets, including how to use hand and power tools, assemble furnishing components, select and apply hardware, apply sheet laminates, construct furniture and prepare cabinet installation.
Career opportunities: If you obtain an apprenticeship in the cabinet making or furniture making industry, you may apply to receive credit for completing this course. All Australian apprenticeships in the cabinet/furniture making industries are conducted in conjunction with a MSF31113 Certificate III in Cabinet Making.

WHAT’S NEXT?

MSF30213 Certificate III in Cabinet Making (Furniture)

MSF31113 Certificate III in Furniture Finishing

INDIGENOUS PRIMARY HEALTH CARE

HLT20113 CERTIFICATE II IN ABORIGINAL AND/OR TORRES STRAIT ISLANDER PRIMARY HEALTH CARE
Course description: This qualification reflects the role of workers who undertake a range of tasks under direct supervision to support the provision of primary health care services to Aboriginal and/or Torres Strait Islander clients and communities.
Career opportunities: Aboriginal primary health care worker, trainee health worker and careers in the welfare service industry.

WHAT’S NEXT?

CHC42015 Certificate IV in Community Services

1HLT40213 Certificate IV in Aboriginal and/or Torres Strait Islander Primary Health Care Practice

Please note that not all courses are available in all TAFE NSW campuses. Please speak with your School Career Advisor for available courses.
INFORMATION AND DIGITAL SKILLS

ICT20115 CERTIFICATE II IN INFORMATION, DIGITAL MEDIA AND TECHNOLOGY

Course description: Emphasis will be placed on developing an understanding of digital media content including image and sound manipulation, animation and interface interactivity. Students will explore possibilities in designing and constructing a range of media content, as well as gain foundation skills and knowledge to use multimedia and information and communications technology (ICT) in any industry.

Career opportunities: Assistant to multimedia designer or digital media developer.

WHAT’S NEXT?

ICT30115 Certificate III in Information, Digital Media and Technology
CUA42215 Certificate IV in Screen and Media
ICT40815 Certificate IV in Digital Media Technologies

LABORATORY SKILLS

MSL30116 STATEMENT OF ATTAINMENT TOWARDS CERTIFICATE III IN LABORATORY SKILLS

Course description: This course will provide you with practical scientific skills for general forensic laboratory investigations.

Career opportunities: Laboratory technicians, instrument operators and similar personnel.

WHAT’S NEXT?

MSL40116 Certificate IV in Laboratory Techniques
MSL50116 Diploma of Laboratory Technology
MSL50116 Diploma of Laboratory Technology (Pathology Testing)

MARITIME OPERATIONS

MAR10313 CERTIFICATE I IN MARITIME OPERATIONS
(GENERAL PURPOSE HAND NEAR COASTAL)

MAR20313 CERTIFICATE II IN MARITIME OPERATIONS
(COXSWAIN GRADE 1 NEAR COASTAL)

Course description: This course will help you gain skills and knowledge to perform basic service checks on small vessel marine propulsion and auxiliary systems, carry out routine servicing of marine extra low and low voltage electrical systems and undertake refuelling and fuel transfer operations.
