WHY TVET?

TVET OFFERS DIRECT PATHWAYS TO FURTHER EDUCATION AND EMPLOYMENT OPTIONS, PLUS:

- full time and part time TAFE NSW courses that give you job ready skills in a huge range of careers
- diploma and advanced diploma courses that may provide credit towards TAFE NSW degrees and university courses
- pre-apprenticeship courses that give you skills to help enter the workforce
- apprenticeships and traineeships that combine formal studies with work and on-the-job training
- recognition of prior learning gained through TVET, other HSC studies and employment
WHAT IS TVET?

TVET: TAFE-DELIVERED VOCATIONAL EDUCATION AND TRAINING

With TVET, you can get a head start on your career by completing a TAFE NSW course, while still at school.

TVET courses are available to students in Year 11 and 12 (Stage 6) as well as students in Year 9 and 10 (Stage 5). The majority of courses detailed throughout this guide are Stage 6 courses.

Stage 6 TVET courses count towards your HSC, with some contributing towards your Australian Tertiary Admission Rank (ATAR).

BENEFITS OF TVET

At TAFE NSW, you will gain work related skills and experience that is recognised and valued by employers. In many TVET courses, in addition to your theoretical training, you will also be required to complete a mandatory work placement.

TVET studies can be used to help you gain a place in a TAFE NSW Higher Education course or at a university, by contributing to your ATAR. Your TVET qualification will also provide you with an industry qualification. TVET courses may also contribute towards credit or advance standing in your next TAFE NSW course.

By successfully completing your TVET course, you will gain two credentials upon finishing school; one from the New South Wales Educational Standards Authority (NESA), and another from TAFE NSW.
SCHOOL BASED APPRENTICESHIPS AND TRAINEESHIPS

School Based Apprenticeships and Traineeships (SBAT) combine paid work, school, and TAFE NSW training, to help you gain valuable work skills and experience while you are studying for the HSC.

After successfully completing a school based apprenticeship or school based traineeship, you will receive a TAFE NSW transcript of academic record which may count towards further study.

SBAT offers many options that are not available for TVET students, as well as some that overlap with TVET courses. The following list will give you an idea of the types of courses. You will notice that many of these are higher level qualifications are achievable because of the amount of time you will spend in the workplace.

This training is subsidised by the NSW government.

SPECIALISATION COURSES

Specialisation courses are delivered concurrently with 240 hour TVET courses. They can contribute additional units of HSC credit (depending on the HSC syllabus for the course), and can allow you to complete more of a qualification (potentially obtaining a full qualification), or in some cases, you could progress to a higher level qualification.
This course can contribute to your Australian Tertiary Admissions Rank (ATAR) where you complete a 240 hour course and sit the HSC examination.

This course includes mandatory work placement hours.

This course may be offered as a school based apprenticeship or traineeship. The qualification available for school based apprentices and trainees may vary from the qualifications listed available for TVET students.

Specialisation study available - additional study is available in this area. You must be currently studying the 240 hour course at school or TAFE NSW.

Board endorsed courses contribute to your Record of School Achievement (RoSA) or HSC, but will not count towards your ATAR.

Industry curriculum framework courses contribute to your Higher School Certificate (HSC), and can also contribute towards your ATAR.

Each course indicates potential career outcomes a learner may be eligible to work as. However, TAFE NSW does not guarantee any particular employment outcome for the learner. Not all NESA syllabuses provide a full qualification outcome. Depending on the syllabus and your chosen pattern of study, you may achieve a full qualification or you may achieve a Statement of Attainment towards a qualification. At the end of their studies, every student will receive a transcript of achieved competencies.

Does my TVET course contribute units towards my HSC?
Yes, all Stage 6 TVET courses count towards your HSC units. Stage 5 TVET courses contribute to your Record of School Achievement (RoSA).

Can my TVET course be used in the calculation of my ATAR?
Only some Stage 6 TVET courses count towards an ATAR. These courses are specified by NESA, and require students to complete a full 240 hours of delivery, as well as sit the HSC exam for the subject. You should check with your school careers advisor to ensure that you have a suitable pattern of study to be eligible for an ATAR.

How long will the course run for?
The course will run between one and two years, depending on the pattern of study undertaken.

When do I attend class?
Depending on the delivery mode and the arrangement between your school and TAFE NSW, classes may require attendance at TAFE NSW on a weekly basis, block periods, or have an online or connected classroom timetable. Class sessions may extend beyond school hours, including school holiday periods.

Can I get assistance if I have a disability?
Careful consideration will be given to the courses selected by students with a disability. The chosen course must be assessed as the most appropriate course for the student, and one that will provide successful vocational outcomes. TAFE NSW will organise for you to be interviewed by a disability consultant, and your school will need to complete an additional form to ensure any necessary support requirements are considered at time of placement.
Where do I go to class?
TVET classes are usually held at a TAFE NSW location, but sometimes TAFE NSW teachers will come to your school. There are courses delivered online, via a connected classroom model, or as a block delivery.

What are the requirements of a TVET course?
TVET courses carry the same requirements as normal school courses. Attendance is mandatory, unless prior consent is given. TAFE NSW requirements vary for each individual TVET course and will be clearly explained by the teacher at the start of your course.

How do I apply?
Students are advised to speak with their school careers advisor or TVET coordinator, to select a course that best meets your educational and vocational needs. Schools will then assist you with the application process.

What support services are offered?
We believe flexibility and support are critical to ensuring the success of our students. That’s why we have a number of support teams and services available to you:

- Aboriginal student support
- childcare facilities on-site at selected locations
- car parking on-site at selected locations for your safety and convenience
- online courses so you can study when and where it suits you
