STUDENT SERVICES BRANCH VISION

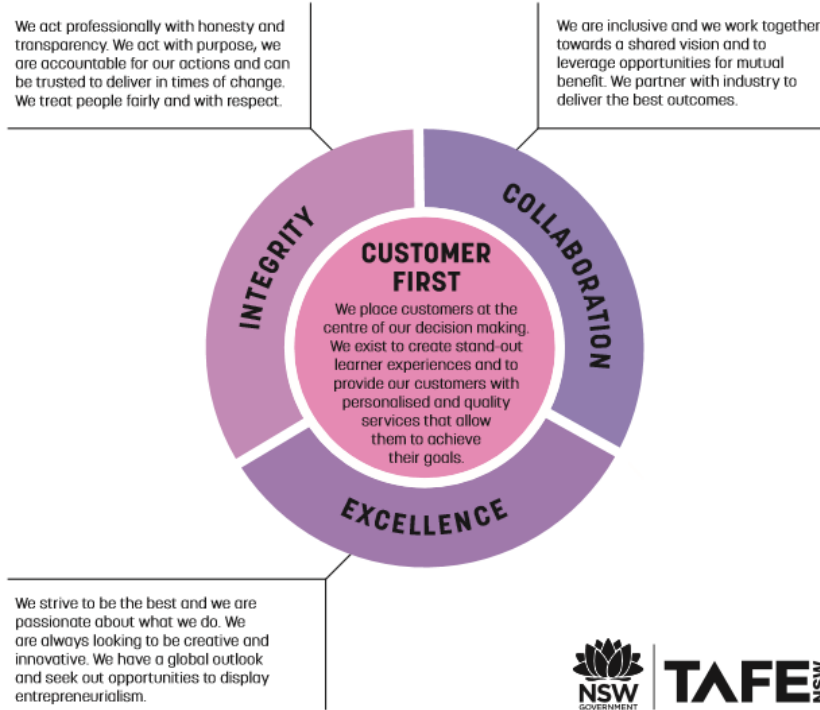

Empowering Success

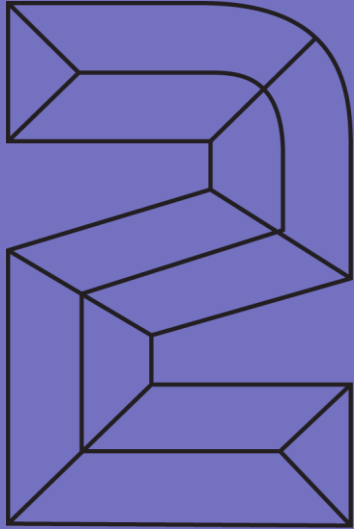

PURPOSE

“To support **student retention** and **academic success** through the provision of **customer-centred**, **commercially efficient** and **compliant student administration** and **support services**.”

TAFE NSW Values

CAREERS & COUNSELLING

CAREER DEVELOPMENT

TAFE NSW Counsellors can help prospective/enrolled students to develop a framework around career development and support exploring their options.

- Work with students to understand who they are
- Support with research: jobs = interests + abilities
- Clarify career goals
- Support with course selection
- Work with students to identify actions and next steps.

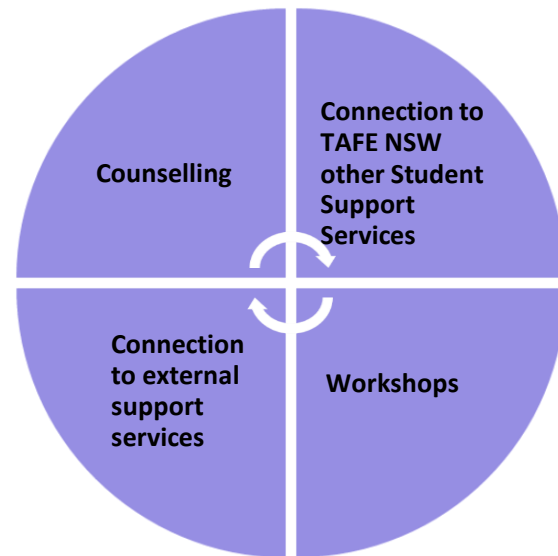

Our counsellors can also support, identify obstacles and advise students on how best to tackle those.

TAFE NSW COUNSELLING & CAREER DEVELOPMENT

EMPOWERING SUCCESS...

- Providing **educational, vocational and personal counselling** to assist students to **course completion** during the learning journey.
- Liaising with the **support services within TAFE NSW** such as disability support, learning support, financial and scholarship assistance.
- Referring to **local health services, headspace and youth services** for diagnosis case management and/or treatment.
- Delivering **group workshops** – Managing anxiety, mindfulness, self esteem.

ENRICHING POTENTIAL

- Guest speakers
- Careers workshops
- Halt and headspace - Focus on suicide prevention in the trades
- Positive psychology
- Information stalls
- R U OK Day
- Youth Week
- Mindfulness workshops
- Student barbeques

WHAT'S NEXT?

- One TAFE approach for Student Support Services
- Careers and Counselling – state wide access systems
- Careers Connect and Job Boards expansion across TAFE NSW
- MHFA training for youth and adults
- Student Minds project expansion across TAFE NSW
