WHAT'S GREAT ABOUT TVET?

- Students can start a TAFE NSW course whilst still at school.
- Courses are for Year 11 and/or Year 12 students.
- All courses count toward HSC NESA units and some count toward an ATAR.
- Courses are taught at TAFE NSW campuses by specialist teachers.
- Students gain practical, work-ready skills.
- It's a perfect pathway to a career.

AND MORE ...

- Most courses run on Tuesday afternoons.
- It's possible to gain credit in post school courses at TAFE NSW.
- Industry Curriculum Framework Courses include work placement organised by TAFE NSW.
- Spend time with other students with similar interests.
- Study in an adult learning environment.
- Students apply through their School Careers Advisor/ EVET Coordinator.

KEY INSIGHTS FROM THE SKILLSROAD 2017 YOUTH CENSUS

- “Choosing a career is stressful for young Australians. They worry they will make the wrong choice or not be happy with their choice”.
- “If we want Australian youth to thrive, we must help them see the bigger picture and encourage them to invest in career pathways that give them passion and purpose”.

FRAMEWORK VS NON FRAMEWORK COURSES

There are two types of TVET courses:

- Industry Curriculum Framework courses (Board developed)
 - Can count towards a student's ATAR
 - Includes compulsory work placement
 - Students must be prepared by TAFE NSW for the HSC examination
- Non Framework courses (Board endorsed)
 - Does not count towards a student's ATAR
 - May or may not include compulsory work placement
 - Does not include an HSC examination
