- A year 12 equivalent qualification
- Strong pathways to continued studies to enhance your career opportunities

GROW YOUR CAREER

You can continue on your education journey with:

- Admission to university
- Entry to the Australian Defence Force
- Diploma or above qualifications

INDUSTRY DEMAND

The Certificate IV in Tertiary Preparation supports students to develop high level academic, social and technological skills that have been identified as essential for emerging careers of the future.

Entry Requirements

When you study with TAFE NSW, we want you to succeed. Entry requirements allow us to make sure that you have the right pre-existing knowledge and skills to achieve your chosen qualification. You will need to provide evidence that you meet the requirements listed in this section.

To be eligible for this course, you will need to:

- Provide evidence that you have a Certificate II qualification or equivalent skills and knowledge
- Undertake a literacy and numeracy test and achieve a Level 3 or above in the Australian Core Skills Framework (ACSF)
- Participate in a phone interview with one of our teaching staff to make sure this is the appropriate course level for you

IS THIS COURSE RIGHT FOR YOU?

To be prepared for this course, it is recommended that you have:

- The ability to learn independently
- The resources to research topics
- Sound technology skills

If you need help preparing for study, contact us about your options.

ADDITIONAL REQUIREMENTS

With 130 locations across the state, TAFE NSW tailors qualifications to meet the needs of the local community and specific student groups (like apprentices, fast-tracked and online students). To make sure this course is the right fit for you, we will need you to demonstrate that you can meet the additional requirements below.

To be enrolled in this course, you need to be able to provide evidence that you have Certificate II or

equivalent skills and knowledge for entry. In TAFE NSW, potential students undertake LLN screening through RUPReady, participate in an interview and complete a writing task so it can be determined whether this course is an appropriate pathway. Students should achieve RUPReady results that show they are working within ACSF Level 3 or above. Students achieving Level 2 can still undertake the course, particularly when their demonstrated strengths align with the skills required in their nominated elective streams. All students must achieve ACSF 3 for reading, learning and writing. However, students achieving ACSF 2 for numeracy may enter the course but will not be able to access higher level maths, science and statistics units. Students with LLN needs may be able to access targeted support assessed on a needs basis. To engage support, students speak to the teacher regarding their request. Students can arrange appointments or teachers can arrange connections with support specialists from relevant units who are able to engage with students and provide specialist advice, assistance and equipment, where relevant.
