## Course Description

The nationally accredited Certificate III in Pathways to Further Study is a Year 11 equivalent course, designed to give you the academic know-how and practice for higher level study. You will learn the essential skills employers are looking for and be able to take the next step toward your study goals.

### LEARN NEW SKILLS

Through theoretical and practical course work, you will learn to:

- Write in an academic manner
- Set goals and manage your time
- Research efficiently
- Undertake scientific experiments
- A variety of technology
- Complete general and/or advanced mathematics

### DEVELOP YOUR TALENT

Develop the attributes needed to get ahead:

- Good problem solving skills
- The ability to work alone and in groups
- Great communication skills

### ACHIEVE YOUR GOALS

Completing this course will provide you with:

- A nationally recognised qualification at Certificate III level (Year 11 Equivalent)
- Strong pathways to continued study

## GROW YOUR CAREER

You can continue on your educational journey with:

- Entry into an apprenticeship of your choice
- Certificate IV in Tertiary Preparation
- Further vocational study at Certificate IV and above
- Entry into Tertiary education (upon completion of the Certificate IV in Tertiary Preparation)

## Career outcomes and job roles

- Employment in careers that require a Certificate III or Year 11 equivalent

## INDUSTRY DEMAND

Australian employers are looking for people who offer academic writing, reading, math and technology skills. They are also seeking skills that include creativity, teamwork, self-management, critical thinking and communication. The Certificate III in Pathways to Further Study equips you with the tools to meet these demands and excel.

# Entry Requirements

When you study with TAFE NSW, we want you to succeed. Entry requirements allow us to make sure that you have the right pre-existing knowledge and skills to achieve your chosen qualification. You will need to provide evidence that you meet the requirements listed in this section.

To make sure this is the appropriate course level for you, you will need to:

- Complete a literacy and numeracy assessment, achieving Australian Core Skills Framework (ACSF) level 3 or above, and
- Participate in a phone interview with one of our teaching staff

## IS THIS COURSE RIGHT FOR YOU?

To be prepared for this course, it is recommended that you:

- Have good communication skills
- Want to improve your literacy and numeracy skills so you can pursue further study
- Have the ability to attend class on a weekly basis

If you need help preparing for study, contact us about your options.

# Information Sessions and more about the course

## INFORMATION SESSIONS

There are no information sessions currently scheduled for this course.

## STUDY COMMITMENT

This is a Full Time course. You will need to attend approximately 18 hours of class, over 4 days a week, for 18 weeks. You may also be required to complete approximately 20 hours of additional study each week outside of class hours including, private study, research and assignment preparation.

## SERVICES AND STUDY SUPPORT

TAFE NSW provides the following services to ensure a supported and successful learning environment for all students:

- ? Aboriginal and/or Torres Strait Islander Student Support and Services
- ? Accessibility and Disability Services
- ? Personal Counselling
- ? Vocational Counselling
- ? Learning Support
- ? International Student Support
- ? Scholarships
- ? Multicultural Support through engagement with specialist LLN teachers or identified services

We offer student services and study support to ensure you can achieve your goals. Learn about TAFE NSW [Student Services](#)

As a TAFE NSW student in this course, you will have access to:

- LinkedIn Learning (formerly Lynda.com)
- Studiosity - online access to a real life tutor
- Easy computing online short courses
- Access to local TAFE libraries
- Accessibility and Disability Support Services
- Access to Read&Write learning support software at TAFE and at home

## Attendance

To keep you safe while studying, some of our face to face classes may be replaced with online or connected learning. We have also modified our face to face classes to meet physical distancing requirements and increased cleaning on campus. As restrictions ease, the way you attend your class may change again. If work placement and the demonstration of practical skills are requirements of your course, due to the impacts of COVID 19 there may be a delay or modification in being able to undertake these aspects of your course in the planned timeframe. Be assured, we'll keep you informed every step of the way.

This course is currently scheduled on Monday, Tuesday, Wednesday and Thursday from 9.00am to 2.30pm. This timetable may change and will be confirmed by your teacher.

## Fee Details

## SMART AND SKILLED FEES

This course is government-subsidised, meaning you pay a portion of the full course fee to TAFE NSW and the NSW Government will pay the balance. However, you must meet certain eligibility criteria for this to apply.

Depending on your previous qualifications and experience, your fee may be less than the maximum fee quoted. Your actual fee and eligibility for concession/exemption will be calculated and confirmed during the enrolment process. Payment plans are available through TAFE NSW for Smart and Skilled eligible qualifications.

For further information about eligibility and explanations of the different fee categories, visit [Are You Eligible?](#)

## FULLY GOVERNMENT SUBSIDISED

This course is fully government-subsidised for eligible students, meaning you will not have to pay any course fees. It is part of a program to help people develop the skills they need to get a job, undertake entry level qualifications or transition to a new job.

If you are not eligible for subsidised training, you can still choose to enrol in the course but will need to pay the full (non-subsidised) fee.
