## Course Description

This course is intended to provide learners with the following educational outcomes:

- a pathway to, and articulation into, Certificate IV in Tertiary Preparation
- equivalent qualification to school Year 11
- entry to further study in the Vocational Education and Training sector
- entry to careers requiring a Year 11 equivalent qualification
- research and high level written skills
- critical thinking and academic learning skills
- eLearning skills to engage with a range of technologies
- preparation for further study in science, technology, engineering and mathematics vocational areas.

## Entry Requirements

When you study with TAFE NSW, we want you to succeed. Entry requirements allow us to make sure that you have the right pre-existing knowledge and skills to achieve your chosen qualification. You will need to provide evidence that you meet the requirements listed in this section.

There are no essential entry requirements for this course.

Entrants benefit from language and literacy levels of ACSF 3 and above, which are sufficient to interpret increasingly complex and unfamiliar documents, analyse texts and prepare written communications.

# Information Sessions and more about the course

It's all happening at TAFE NSW InfoFest. [Register](#) for an information session to broaden your skills set to get ahead. Can't find an Information Session for you? [Enquire Online](#) or call 131601.

## IS THIS COURSE RIGHT FOR YOU?

This course equips students with skills to overcome barriers and provides access to a Year 12 equivalency course and further academic study. This course delivers academic pathway and study skills that underpin the acquisition of higher education qualifications, enabling access to a wide range of careers and opportunities.

## MORE ABOUT THIS COURSE

This course can function as an alternative to a Year 11 qualification, providing a recognised pathway to higher Vocational Education and Training (VET) studies, return to studies in the HSC or articulation to alternative to Year 12 course ? 10767NAT Certificate IV in Tertiary Preparation (TPC). This course is equivalent to the first half of the course 10767NAT Certificate IV in Tertiary Preparation. Students who complete this course can then enrol and complete 10767NAT Certificate IV in Tertiary Preparation in semester 2, 2020.

This course is intended to provide students with the following educational outcomes:

? a pathway to, and articulation into, Certificate IV in Tertiary Preparation

? equivalent qualification to school Year 11

? entry to further study in the Vocational Education and Training sector

## Fee Details

### SMART AND SKILLED FEES

This course is government-subsidised, meaning you pay a portion of the full course fee to TAFE NSW and the NSW Government will pay the balance. However, you must meet certain eligibility criteria for this to apply.

Depending on your previous qualifications and experience, your fee may be less than the maximum fee quoted. Your actual fee and eligibility for concession/exemption will be calculated and confirmed during the enrolment process. Payment plans are available through TAFE NSW for Smart and Skilled eligible qualifications.

For further information about eligibility and explanations of the different fee categories, visit [Are You Eligible?](#)
