Course Description

This course will equip you to be able to respond to an emergency first aid situation in an education and care setting.

Information Sessions and more about the course

It's all happening at TAFE NSW InfoFest. [Register](#) for an information session to broaden your skills set to get ahead. Can't find an Information Session for you? [Enquire Online](#) or call 131601

This course is the recognised First Aid Course for those working in Early Childhood Education and Care. The course will support you through an online resource, online quiz assessments and a one (1) day face to face practical session which includes additional assessments. Please note: the First Aid practical assessment requires students to be physically able to perform CPR on the floor for a period of two (2) minutes, in multiple scenarios. Additional practical assessments are required to assess skills in a variety of First Aid emergencies. All practical assessments need to be completed on the day. Once enrolled, students can call the TAFE Digital Children's Services team to book in for an upcoming practical session. We offer student services and study support to ensure you can achieve your goals. Learn about TAFE NSW [Student Services](#)

As a TAFE NSW student in this course, you will have access to:

- LinkedIn Learning (formerly Lynda.com)
- Studiosity - online access to a real life tutor
- Easy computing online short courses
- Access to local TAFE libraries

Attendance

Requires attendance at a one day 'practical session' assessment at TAFE Digital, Strathfield.

Fee Details

There are no subsidies for this course, it is offered for enrolment under a fee-for-service. There are no concessions, exemptions or scholarships available.

Please ensure you also read and understand the associated fee policies and conditions related to withdrawal from a course, applying for a refund of fees and if you are behind in payment of instalments.
