## Course Description

This course is for students requiring foundation skills to achieve vocational competency in an industry training package qualification.

## Entry Requirements

When you study with TAFE NSW, we want you to succeed. Entry requirements allow us to make sure that you have the right pre-existing knowledge and skills to achieve your chosen qualification. You will need to provide evidence that you meet the requirements listed in this section.

Students must be co-enrolled in an industry training package qualification.

To successfully complete this course, you will need:

- Attend class and complete all assessment tasks. Details will be given to you in class.

## Information Sessions and more about the course

It's all happening at TAFE NSW InfoFest. [Register](#) for an information session to broaden your skills set to get ahead. Can't find an Information Session for you? [Enquire Online](#) or call 131601.

### STUDY COMMITMENT

You will attend class between 1 - 2 days per week, depending on your needs. The day/s may be Monday and/or Tuesday. This course will assist you to prepare for the Calculations Nursing Entrance exam, and will also improve your basic mathematical skills.

This is a part time day face to face course. You will need to attend approximately 5 hours of class, over 1-2 days a week, for 17 weeks.

### IS THIS COURSE RIGHT FOR YOU?

This course offering is designed for people who:

- want to improve their reading, writing, basic maths and basic computing for personal use, work or further study.

## SERVICES AND STUDY SUPPORT

There are additional learning and study tools available for this course, including: -Workshops, Study Centres, Disability Support, Counselling.

We offer student services and study support to ensure you can achieve your goals. Learn about TAFE NSW [Student Services](#)

As a TAFE NSW student in this course, you will have access to:

- LinkedIn Learning (formerly Lynda.com)
- Studiosity - online access to a real life tutor

- Access to local TAFE libraries

## Attendance

This course is currently scheduled Monday to Tuesdays between the hours of 12.30pm to 2.45pm. This timetable may change and will be confirmed by your teacher.

## Fee Details

You may be eligible for a concession and/or exemption. This will be confirmed during the enrolment process.**FULLY GOVERNMENT SUBSIDISED**

This Foundation course is fee exempt for students eligible for Smart and Skilled.

This course is fully government-subsidised for eligible students, meaning you will not have to pay any course fees. It is part of a program to help people develop the skills they need to get a job, undertake entry level qualifications or transition to a new job.

If you are not eligible for subsidised training, you can still choose to enrol in the course but will need to pay the full (non-subsidised) fee.

## How to Enrol

Applying with us is easy, though the exact process does depend on your course and any prerequisites that go with it. Be sure to read all course information carefully to make sure it is the right qualification, location and study type for you. As you progress through the application and enrolment process you will be prompted to provide additional information.

For further information or assistance, call 131 601.
