Course Description

This short course contains the Maths units of competency required for general entry to the Australian Defence Forces.

Successful completion of 900-10591EV01 Statement of Attainment in Defence Preparation English and 900-10591MV01 Statement of Attainment in Defence Preparation Maths, satisfies the academic entry requirements for general entry to ADF.

Additional completion of 900-10591SV01 Statement of Attainment in Defence Preparation Science is required for ADF trades entry.

Entry Requirements

When you study with TAFE NSW, we want you to succeed. Entry requirements allow us to make sure that you have the right pre-existing knowledge and skills to achieve your chosen qualification. You will need to provide evidence that you meet the requirements listed in this section.

There are no entry requirements for this course

ADDITIONAL REQUIREMENTS

With 130 locations across the state, TAFE NSW tailors qualifications to meet the needs of the local community and specific student groups (like apprentices, fast-tracked and online students). To make sure this course is the right fit for you, we will need you to demonstrate that you can meet the additional requirements below.

COURSE ENTRY REQUIREMENTS

To be enrolled in this course, you need to:

- participate in an interview and complete literacy and numeracy screening tasks before enrolment.

To successfully complete this course, you will need:

- to have ACSF level 2 to 3 language, literacy and numeracy ? sufficient to read and interpret basic documents and prepare written reports.

Information Sessions and more about the course

INFORMATION SESSIONS

There are no information sessions currently scheduled for this course.

STUDY COMMITMENT

This is a Part Time Day, Face-to-Face course. You will need to attend approximately 5 hours of class, over 1 day a week, for 18 weeks.

You may also be required to complete approximately 3 hours per week of additional study outside of class hours, including private study, assignment preparation, research, and review of class work.

IS THIS COURSE RIGHT FOR YOU?

This course offering is designed for people who wish to further their education or training and require the following skills and knowledge:

- Maths for continued engagement in further education
- Maths for general and trade level entry to the Australian Defence Forces

We offer student services and study support to ensure you can achieve your goals. Learn about TAFE NSW [Student Services](#)

As a TAFE NSW student in this course, you will have access to:

- LinkedIn Learning (formerly Lynda.com)
- Studiosity - online access to a real life tutor
- Easy computing online short courses
- Access to local TAFE libraries
- Accessibility and Disability Support Services
- Access to Read&Write learning support software at TAFE and at home

Attendance

To keep you safe while studying, some of our face to face classes may be replaced with online or connected learning. We have also modified our face to face classes to meet physical distancing requirements and increased cleaning on campus. As restrictions ease, the way you attend your class may change again. If work placement and the demonstration of practical skills are requirements of your course, due to the impacts of COVID 19 there may be a delay or modification in being able to undertake these aspects of your course in the planned timeframe. Be assured, we'll keep you informed every step of the way.

This course is currently scheduled on Thursday from 9.00am to 1.00pm. This timetable may change and will be confirmed by your teacher.

Fee Details

SMART AND SKILLED FEES

This course is government-subsidised, meaning you pay a portion of the full course fee to TAFE NSW and the NSW Government will pay the balance. However, you must meet certain eligibility criteria for this to apply.

Depending on your previous qualifications and experience, your fee may be less than the maximum fee quoted. Your actual fee and eligibility for concession/exemption will be calculated and confirmed during the enrolment process. Payment plans are available through TAFE NSW for Smart and Skilled eligible qualifications.

For further information about eligibility and explanations of the different fee categories, visit [Are You Eligible?](#)
