Course Description

Do you require practical first aid skills? This course will provide you with up to date first aid procedures. You will learn how to respond in an emergency situation, communicate details of the incident and evaluate your own performance. Once you have successfully completed this course your First Aid skills will be valid for 3 years. However, the CPR component of the course is valid for 12 months and will need to be updated annually for you to keep your certification current.

Entry Requirements

When you study with TAFE NSW, we want you to succeed. Entry requirements allow us to make sure that you have the right pre-existing knowledge and skills to achieve your chosen qualification. You will need to provide evidence that you meet the requirements listed in this section.

Nil

To successfully complete this course, you will need:

- To pick up a textbook from your nearest TAFE campus at least 1 week prior to attending the course.
- You will need to read the textbook and complete the self-assessment on pages 21, 41, 72 and 88. A bandage and sling will be provided at the training.

You must be able to perform at least 2 minutes of uninterrupted single rescuer cardiopulmonary resuscitation (CPR) (5 cycles of both compressions and ventilations) on an adult resuscitation manikin placed on the floor.

You must also complete a multiple choice knowledge assessment and a practical demonstration of common first aid scenarios on the day of the course.

INFORMATION SESSIONS

There are no information sessions currently scheduled for this course

STUDY COMMITMENT

This is a face to face part time course. You will need to attend approximately 8 hours of class, over 1 day. You may also be required to complete approximately 10 hours of additional study outside of class hours, including reading the textbook and completing self-assessments.

IS THIS COURSE RIGHT FOR YOU?

This course offering is designed for people who may be required to provide a first aid response in a range of situations, including community and workplace settings. You will learn how to respond in an emergency situation, apply appropriate first aid procedures, communicate details of the incident and evaluate your own performance. When you finish this course you can undertake further First Aid training in other first aid related occupational courses.

If your employment or future education requires training and assessment using a pocket mask, you will need to purchase your pocket mask beforehand and bring it with you to the course.

Refresher training in CPR should be undertaken annually and first aid qualifications should be renewed every three (3) years.
