Course Description

Do you require practical first aid skills? This course will provide you with up to date first aid procedures. You will learn how to respond in an emergency situation, communicate details of the incident and evaluate your own performance. Once you have successfully completed this course your First Aid skills will be valid for 3 years. However, the CPR component of the course is valid for 12 months and will need to be updated annually for you to keep your certification current.

Entry Requirements

When you study with TAFE NSW, we want you to succeed. Entry requirements allow us to make sure that you have the right pre-existing knowledge and skills to achieve your chosen qualification. You will need to provide evidence that you meet the requirements listed in this section.

ADDITIONAL REQUIREMENTS

With 130 locations across the state, TAFE NSW tailors qualifications to meet the needs of the local community and specific student groups (like apprentices, fast-tracked and online students). To make sure this course is the right fit for you, we will need you to demonstrate that you can meet the additional requirements below.

COURSE ENTRY REQUIREMENTS

To successfully complete this course, you will need:

- to demonstrate two minutes of uninterrupted CPR on a resuscitation manikin placed on the floor

and be able to assess for danger and visually and verbally assess the patient

Information Sessions and more about the course

This is a full time 1 day course. You will need to attend approximately 8 hours of class, over 1 day. As well as the in-class component, you will need to complete approximately 6 hours of other study.

This course requires you to have completed at least 6 hours pre-work using the online First Aid resources and self-assessments prior to the one day face to face work shop.

IS THIS COURSE RIGHT FOR YOU?

This course offering is designed for people who:

- are refresher students and those undertaking First Aid training for the first time

MORE ABOUT THIS COURSE

The First Aid course is composed of two elements:

- an online study and assessment, which requires at least 6 hours of structured pre-work
- practical workshop, which requires 6 hours of delivery and 2 hours of assessment

Please note: the online study and assessment element must be completed before attending the face-to-face one day practical workshop component.

We offer student services and study support to ensure you can achieve your goals. Learn about TAFE NSW [Student Services](#)

As a TAFE NSW student in this course, you will have access to:

- LinkedIn Learning (formerly Lynda.com)
- Studiosity - online access to a real life tutor
- Easy computing online short courses
- Access to local TAFE libraries
- Accessibility and Disability Support Services
- Access to Read&Write learning support software at TAFE and at home

Attendance

To keep you safe while studying, some of our face to face classes may be replaced with online or connected learning. We have also modified our face to face classes to meet physical distancing requirements and increased cleaning on campus. As restrictions ease, the way you attend your class may change again. If work placement and the demonstration of practical skills are requirements of your course, due to the impacts of COVID 19 there may be a delay or modification in being able to undertake these aspects of your course in the planned timeframe. Be assured, we'll keep you informed every step of the way.

This course is currently scheduled on Saturday, from 8.30am to 5.00pm.

Fee Details

This training is not subsidised by Government funding. There are no fee exemptions, concessions or subsidies available for this course.

Payment of course fee must be made PRIOR to commencement of learning activity.
