Course Description

Take the nationally accredited Certificate II in Animal Studies and start your career as a pet groomer or animal attendant in animal shelter or veterinary clinic. Turn your passion for animals into a career as you gain practical skills and build industry relationships.

LEARN NEW SKILLS

Through theoretical and practical course work, you will learn to:

- Provide care to a range of animals
- Monitor and maintain animal health
- Practice hygiene and infection control
- Respond to expectations of pet owners
- Understand what is required in running a small companion animal business

DEVELOP YOUR TALENT

Develop the personal qualities that will help you get ahead:

- Calm and empathetic nature
- Ability to follow directions and work independently
- Good communication skills
- A reasonable level of fitness to safely handle animals and manual lifting

ACHIEVE YOUR GOALS

Completing this course will provide you with:

- A nationally recognised qualification at Certificate II level
- Strong foundation to continue your studies

Career opportunities:

- Pet groomer
- Animal attendant

GROW YOUR CAREER

Take your career further:

- Certificate III Animal Studies
- Certificate III Companion Animal Services
- Certificate III Pet Grooming
- Certificate III Captive Animals
- Certificate IV Veterinary Nursing
- Certificate IV Companion Animal Services

INDUSTRY DEMAND

Demand for animal care workers is booming with growth driven by consumer expectations on how their furry companion should be cared for. These greater expectations is leading to employers to need workers who are qualified and experienced. The animal care field is broad and highly competitive. The course equips you with diverse range of skills to put you ahead of the pack in a skills shortage climate. It is also the official pre-requisite for the Certificate IV in Veterinary Nursing.

Entry Requirements

When you study with TAFE NSW, we want you to succeed. Entry requirements allow us to make sure that you have the right pre-existing knowledge and skills to achieve your chosen qualification. You will need to provide evidence that you meet the requirements listed in this section.

TRAINING PACKAGE REQUIREMENTS

There are no Training Package entry requirements for this qualification.

TAFE NSW REQUIREMENTS

To be eligible for this course, you must:

- Have access to an animal care facility where you can gain hands-on skills
- In some areas across NSW this course is in high demand. Depending on your campus location, you may need to go through an application process to secure your position.

LICENSING REQUIREMENTS

No licensing, legislative or certification requirements apply to this qualification.

WORK PLACEMENT

At TAFE NSW we provide training that includes hands-on, practical experience. Work placement ensures you have the job ready skills to achieve competency in this course.

Depending on your location, you must secure a minimum of one day or 8 hours of work placement per week with a suitable industry employer, before enrolling this course.

Work placement can involve paid or volunteer arrangements. We recommend you chose a work placement that aligns with your career goals. For example, a veterinary clinic if you would like to be a veterinary nurse, or a wildlife park if you would like to be a ranger.

The animal industry is highly competitive, so to ensure you secure placement we suggest you visit the facilities you are interested in and introduce yourself with your resume in hand. TAFE NSW will cover your workplace insurance while you are actively enrolled and on placement. Detailed information regarding

this is provided to you upon enrolment.

BE PREPARED

To be prepared for this course, it is recommended that you have:

- A passion for animals and their welfare
- A reasonable fitness level to handle animals and carry out manual lifting

With 130 locations across the state, TAFE NSW tailors qualifications to the needs of local students and specific cohorts (like apprentices, fast-tracked students and online students). This means you will also need to meet any entry requirements listed below.

COURSE ENTRY REQUIREMENTS

- A Language, Literacy and Numeracy (LLN) level at ACSF Level 1-2 when commencing the course and basic computer skills. This will be assessed as part of your enrolment process.

TAFE NSW will provide support for your LLN and other needs.

Progress through the course is monitored against your training plan so that any issues are identified and rectified in a timely manner.

Information Sessions and more about the course

It's all happening at TAFE NSW InfoFest. [Register](#) for an information session to broaden your skills set to get ahead. Can't find an Information Session for you? [Enquire Online](#) or call 131601.

To find out more about this course, meet our teachers and receive information about enrolment and next steps, attend an information session.

Date: Tuesday, 21 January 2020. Time: 10.00am to 12.00pm Location: Muswellbrook Campus, Building C, Ground Level, Room 7

STUDY COMMITMENT

This is a Part time Day, Face to Face course. You will need to attend approximately 8 hours of class, 1 day a week, for 18 weeks. As well as the in-class component, you will need to complete approximately 6 hours of other study per week.

You may also be required to complete approximately 4 hours of additional study each week outside of class hours, including self paced activities including reading to prepare for the following weeks activities and assessments.

IS THIS COURSE RIGHT FOR YOU?

This course offering is designed for people who are seeking employment within the animal care industry. This is a preparatory qualification that provides a defined and limited range of basic skills and knowledge used in the animal care field. Students enrolling in this course are likely to have limited existing experience or knowledge as this is an entry level pathway.

Students include: Pre- employment, school leavers OR Unemployed people managed by agencies in regional areas OR Older learners wanting to retrain OR Local animal shelters, pet shops and boarding kennels support the delivery of this training as it educates students in the skills they are looking for in a new employee.

Units selected for general cohort reflect the local needs expressed by staff of animal shelters, pet shops and boarding kennels in consultation with the section staff. Units selected for Pre-Veterinary Nursing cohort reflect direction towards further studies in this area.

We offer student services and study support to ensure you can achieve your goals. Learn about TAFE NSW [Student Services](#)

As a TAFE NSW student in this course, you will have access to:

- LinkedIn Learning (formerly Lynda.com)
- Studiosity - online access to a real life tutor
- Easy computing online short courses
- Access to local TAFE libraries

Attendance

This course is currently scheduled on Tuesday, from 9.00am to 5.00pm. This timetable may change and will be confirmed by your teacher.

Fee Details

SMART AND SKILLED FEES

This course is government-subsidised, meaning you pay a portion of the full course fee to TAFE NSW and the NSW Government will pay the balance. However, you must meet certain eligibility criteria for this to apply.

Depending on your previous qualifications and experience, your fee may be less than the maximum fee quoted. Your actual fee and eligibility for concession/exemption will be calculated and confirmed during the enrolment process. Payment plans are available through TAFE NSW for Smart and Skilled eligible qualifications.

For further information about eligibility and explanations of the different fee categories, visit [Are You Eligible?](#)

ADDITIONAL RESOURCES

You will need to provide for yourself the following resources which you will keep when you complete your study: Electronic course notes and ancillary reference materials are available in hard copy through Inteliprint (www.inteliprint.com.au/estore)
