## Course Description

Take the nationally accredited Certificate II in Animal Studies and start your career as a pet groomer or animal attendant in animal shelter or veterinary clinic. Turn your passion for animals into a career as you gain practical skills and build industry relationships.

### LEARN NEW SKILLS

Through theoretical and practical course work, you will learn to:

- Provide care to a range of animals
- Monitor and maintain animal health
- Practice hygiene and infection control
- Respond to expectations of pet owners
- Understand what is required in running a small companion animal business

### DEVELOP YOUR TALENT

Develop the personal qualities that will help you get ahead:

- Calm and empathetic nature
- Ability to follow directions and work independently
- Good communication skills
- A reasonable level of fitness to safely handle animals and manual lifting

### ACHIEVE YOUR GOALS

Completing this course will provide you with:

- A nationally recognised qualification at Certificate II level
- Strong foundation to continue your studies

#### **Career opportunities:**

- Pet groomer
- Animal attendant

#### **GROW YOUR CAREER**

Take your career further:

- Certificate III Animal Studies
- Certificate III Companion Animal Services
- Certificate III Pet Grooming
- Certificate III Captive Animals
- Certificate IV Veterinary Nursing
- Certificate IV Companion Animal Services

#### **INDUSTRY DEMAND**

Demand for animal care workers is booming with growth driven by consumer expectations on how their furry companion should be cared for. These greater expectations is leading to employers to need workers who are qualified and experienced. The animal care field is broad and highly competitive. The course equips you with diverse range of skills to put you ahead of the pack in a skills shortage climate. It is also the official pre-requisite for the Certificate IV in Veterinary Nursing.

## **Entry Requirements**

When you study with TAFE NSW, we want you to succeed. Entry requirements allow us to make sure that you have the right pre-existing knowledge and skills to achieve your chosen qualification. You will need to provide evidence that you meet the requirements listed in this section.

#### **TRAINING PACKAGE REQUIREMENTS**

There are no Training Package entry requirements for this qualification.

#### **TAFE NSW REQUIREMENTS**

To be eligible for this course, you must:

- Have access to an animal care facility where you can gain hands-on skills
- In some areas across NSW this course is in high demand. Depending on your campus location, you may need to go through an application process to secure your position.

#### **LICENSING REQUIREMENTS**

No licensing, legislative or certification requirements apply to this qualification.

#### **WORK PLACEMENT**

At TAFE NSW we provide training that includes hands-on, practical experience. Work placement ensures you have the job ready skills to achieve competency in this course.

Depending on your location, you must secure a minimum of one day or 8 hours of work placement per week with a suitable industry employer, before enrolling this course.

Work placement can involve paid or volunteer arrangements. We recommend you chose a work placement that aligns with your career goals. For example, a veterinary clinic if you would like to be a veterinary nurse, or a wildlife park if you would like to be a ranger.

The animal industry is highly competitive, so to ensure you secure placement we suggest you visit the facilities you are interested in and introduce yourself with your resume in hand. TAFE NSW will cover your workplace insurance while you are actively enrolled and on placement. Detailed information regarding

this is provided to you upon enrolment.

## BE PREPARED

To be prepared for this course, it is recommended that you have:

- A passion for animals and their welfare
- A reasonable fitness level to handle animals and carry out manual lifting

## Information Sessions and more about the course

It's all happening at TAFE NSW InfoFest. [Register](#) for an information session to broaden your skills set to get ahead. Can't find an Information Session for you? [Enquire Online](#) or call 131601.

**STUDY COMMITMENT** This is a face to face part time day course. You will need to attend approximately 6 hours of class, over 1 day a week, for 18 weeks. As well as the in-class component, you will need to complete approximately 12 hours of other study per week. You may also be required to complete approximately 16 hours of additional study each week outside of class hours, including private study, research, assignment preparations.

**IS THIS COURSE RIGHT FOR YOU?** This course offering is designed for people who: Are you an animal lover looking to put your passion to practical use while developing animal care skills? This is an entry level course aimed at students that would like to seek employment opportunities as an animal care or shelter attendant, kennel hand or cattery attendant, pet shop attendant, an assistant dog groomer or perhaps in the veterinary industry.

**SERVICES AND STUDY SUPPORT** There are additional learning and study tools available for this course, including: At orientation students are provided with information which details the availability of education and support services and how to access these services. <https://www.tafensw.edu.au/student-services> We offer student services and study support to ensure you can achieve your goals.
