Course Description

This qualification reflects the skills and knowledge required to become installation or operations technicians within the irrigation industry.

It applies to skilled workers who carry out installation and operations job roles in the irrigation servicing, horticulture and agriculture industries.

No occupational licensing, legislative or certification requirements apply to this qualification at the time of publication. However, an individual Unit of Competency may specify relevant licensing, legislative or regulatory requirements. Specific determination should be sought through the relevant State or Territory.

Entry Requirements

When you study with TAFE NSW, we want you to succeed. Entry requirements allow us to make sure that you have the right pre-existing knowledge and skills to achieve your chosen qualification. You will need to provide evidence that you meet the requirements listed in this section.

ADDITIONAL REQUIREMENTS

With 130 locations across the state, TAFE NSW tailors qualifications to meet the needs of the local community and specific student groups (like apprentices, fast-tracked and online students). To make sure this course is the right fit for you, we will need you to demonstrate that you can meet the additional requirements below.

To be enrolled in this course, you need to be able to provide evidence that you are:

This course offering is suitable for existing workers in the irrigation and horticulture industry. Students who are not working in the horticulture or irrigation industry may have to do additional units to gain the knowledge and skills required to complete the course.

To successfully complete this course, you will need:

Students are to have suitable levels of Literacy and Numeracy skills and also have access to the tools and equipment to practice your skills outside of your regular class attendance time. You will also need to have access to a computer or device and allow time to study the online notes and resources available.

Information Sessions and more about the course

INFORMATION SESSIONS

There are no information sessions currently scheduled for this course

STUDY COMMITMENT

This is a part-time evening, blended course. You will need to attend approximately 5 hours of class, over 1 day a week, for 36 weeks. As well as the in-class component, you will need to complete approximately 5 hours of other study per week.

You may also be required to complete approximately 24 hours of additional study each week outside of class hours, including self directed study for assignments and online quiz submissions and perform practical exercises to gain experience.

IS THIS COURSE RIGHT FOR YOU?

This course offering is designed for people who:

- have a horticultural background or are existing workers who are actively working in the irrigation industry.

MORE ABOUT THIS COURSE

There is a new version of this course coming soon. If it is available before you complete your studies, you will be notified of your options and may be transferred to the new course.

SERVICES AND STUDY SUPPORT

We offer student services and study support to ensure you can achieve your goals. Learn about TAFE NSW [Student Services](#)

As a TAFE NSW student in this course, you will have access to:

- LinkedIn Learning (formerly Lynda.com)
- Studiosity - online access to a real life tutor
- Easy computing online short courses
- Access to local TAFE libraries
- Accessibility and Disability Support Services
- Access to Read&Write learning support software at TAFE and at home

Attendance

To keep you safe while studying, some of our face to face classes may be replaced with online or connected learning. We have also modified our face to face classes to meet physical distancing requirements and increased cleaning on campus. As restrictions ease, the way you attend your class may change again. If work placement and the demonstration of practical skills are requirements of your course, due to the impacts of COVID 19 there may be a delay or modification in being able to undertake these aspects of your course in the planned timeframe. Be assured, we'll keep you informed every step of the way.

This course is currently scheduled on Tuesday from 5.30pm to 9.30pm. This timetable may change and will be confirmed by your teacher.

Fee Details

SMART AND SKILLED FEES

This course is government-subsidised, meaning you pay a portion of the full course fee to TAFE NSW and the NSW Government will pay the balance. However, you must meet certain eligibility criteria for this to apply.

Depending on your previous qualifications and experience, your fee may be less than the maximum fee quoted. Your actual fee and eligibility for concession/exemption will be calculated and confirmed during the enrolment process. Payment plans are available through TAFE NSW for Smart and Skilled eligible qualifications.

For further information about eligibility and explanations of the different fee categories, visit [Are You Eligible?](#)

ADDITIONAL RESOURCES

You will need to provide your own Personal Protection Equipment (PPE) including Work boots, appropriate protective clothing, safety glasses, gloves, ear muffs and dust masks. You will also need to provide a metric tape measure, a scale ruler, pens, pencils, paper and a folder or similar to record class notes and have access to personal computing equipment.
