**State-of-the-art facilities.** Purpose-built creative studios and industry standard software mean you will master the same tools of the trade as leading professionals.

**Industry exposure.** TAFE NSW partners with industry to provide you with hands-on experience through networking, sponsor programs, competitions, talks, lectures and other creative industry events.

**Recognised and respected.** TAFE NSW has built its reputation on delivering trusted, industry aligned and nationally recognised training for over 130 years.

# Agricultural Chemical Skill Set

National Course Code: AHCSS00074 | TAFE NSW Code: AHCSS00074-V01-20BEG-999

Qualification Level	Statement of Attainment
Study Type	Part Time Day
Course Start Date	Anytime
Hours Per Week	16
Duration	1 Week
Delivery Locations	Bega
Course Fees	<b>Subsidised Prices</b> Fee If Eligible For Subsidy: \$0.00
Course Features	Nationally Recognised Training This training is subsidised by the NSW Government Fully Subsidised Course

## Course Description

Complete the nationally accredited Statement of Attainment in Agricultural Chemical skill set and gain a competitive edge in the market. Through this course, you will gain skills that will allow you to transport and handle chemicals unsupervised across a range of industries like, national parks, golf courses and beekeeping.

### LEARN NEW SKILLS

Through theory and practical course work, you will learn how to:

- Manage chemicals unsupervised
- Handle, apply and transport chemicals independently
- Perform chemical store audits
- Execute calibration exercises in a workshop and chemical storage facility
- Use sprayers, wipers and applicators

### DEVELOP YOUR TALENT

Further develop the personal attributes that will help you get ahead in this field:

- Self-motivation and drive
- Attention to detail
- Commitment to work health and safety practices
- Practical and logical approach

### ACHIEVE YOUR GOALS

Completing this course will provide you with:

- Eligibility to apply for your Chemical Users Licence through the NSW Environmental Protection Authority (EPA) which enables you to purchase, apply, and store chemicals unsupervised

## **GROW YOUR CAREER**

This skill set broadens your employment opportunities by building on your existing qualification and career in land management and enables you to purchase and apply chemicals to control pests, weeds and diseases.

## **INDUSTRY DEMAND**

An increasing focus on safety is driving demand for workers trained in key safety areas including the transport and application of chemicals. The demand for skilled workers in parks and gardens, conservation and land management is expected to increase in the coming years.

# **Entry Requirements**

When you study with TAFE NSW, we want you to succeed. Entry requirements allow us to make sure that you have the right pre-existing knowledge and skills to achieve your chosen qualification. You will need to provide evidence that you meet the requirements listed in this section.

## **TRAINING PACKAGE REQUIREMENTS**

There are no Training Package entry requirements for this qualification.

## **TAFE NSW REQUIREMENTS**

There are no TAFE NSW entry requirements for this qualification.

## **LICENSING REQUIREMENTS**

No licensing, legislative or certification requirements apply to this qualification.

## **WORK PLACEMENT**

There is no work placement requirement for this qualification.

## **BE PREPARED**

To be prepared for this course, it is recommended that you have:

- Learning and writing skills at Australian Quality Framework Level 3 (AQF3) or above
- Meet the criteria of the Language Literacy and Numeracy (LLN) assessment tool

## **ADDITIONAL REQUIREMENTS**

With 130 locations across the state, TAFE NSW tailors qualifications to meet the needs of the local community and specific student groups (like apprentices, fast-tracked and online students). To make sure this course is the right fit for you, we will need you to demonstrate that you can meet the additional requirements below.

## **ADDITIONAL RESOURCES**

Students are required to provide and bring to each session appropriate Personal Protective Equipment (PPE) which may include:  
safety glasses, gloves, safety footwear, suitable clothing such as cotton drill work wear and other equipment (e.g. ear protection or respiratory masks) in line with industry requirements for their workplace or worksite.

## Information Sessions and more about the course

To register for an information session, head to [tafensw.edu.au/infofest](https://tafensw.edu.au/infofest). Students who cannot attend the Information Session please make an online enquiry or contact us on 131 601 for more information about the course!

### STUDY COMMITMENT

This is a part time day course. You will need to attend approximately 16 hours of class, over 2 days a week, for 1 week. As well as the in-class component, you will need to complete approximately 12 hours of other study per week.

You may also be required to complete approximately 12 hours of additional study each week outside of class hours, including completion of self-directed learning based on students using the Lib Guide to access resources relevant to the units of competence in this Skill Set.

We offer student services and study support to ensure you can achieve your goals. Learn about TAFE NSW [Student Services](#)

As a TAFE NSW student in this course, you will have access to:

- LinkedIn Learning (formerly Lynda.com)
- Smarthinking - after hours online study support service
- Easy computing online short courses
- Access to local TAFE libraries
- Accessibility and Disability Support Services
- Access to Read&Write learning support software at TAFE and at home

## Attendance

Students will be provided with a course schedule when details are confirmed.

## Fee Details

### SMART AND SKILLED FEES

This course is government-subsidised, meaning you pay a portion of the full course fee to TAFE NSW and the NSW Government will pay the balance. However, you must meet certain eligibility criteria for this to apply.

Depending on your previous qualifications and experience, your fee may be less than the maximum fee

quoted. Your actual fee and eligibility for concession/exemption will be calculated and confirmed during the enrolment process. Payment plans are available through TAFE NSW for Smart and Skilled eligible qualifications.

For further information about eligibility and explanations of the different fee categories, visit [Are You Eligible?](#)

## FULLY GOVERNMENT SUBSIDISED

This course is fully government-subsidised for eligible students, meaning you will not have to pay any course fees. It is part of a program to help people develop the skills they need to get a job, undertake entry level qualifications or transition to a new job.

If you are not eligible for subsidised training, you can still choose to enrol in the course but will need to pay the full (non-subsidised) fee.

Who is eligible?

You may be eligible for Smart and Skilled funding if you:

are aged 15 years or older,  
have left school,  
live or work in NSW,  
are an Australian citizen, permanent resident, humanitarian visa holder or New Zealand citizen.
