## Course Description

This qualification is suited to those working as administrators and project officers. In this role, individuals use welldeveloped skills and a broad knowledge base to apply solutions to a defined range of unpredictable problems and analyse information from a variety of sources. They may provide leadership and guidance to others with some limited responsibility for the output of others.

### Licensing/Regulatory Information

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

## Fee Details

Depending on your previous qualifications and experience your fee may decrease from the maximum shown.

Payment by instalment may also be available. Your fee and eligibility for concession/exemption will be calculated and confirmed during the enrolment process.

This training is subsidised by the NSW Government, and as a result your fee is determined through Training Services NSW formal eligibility criteria. In claiming the concession or exemption, students will be required to supply the required evidence to support the claim in accord with the requirements of Smart and Skilled eligibility.

To activate your eligibility you must pay the student fee component PRIOR to commencement of the

learning activity.

## Entry Requirements

There are no entry requirements for this qualification
