If you need help preparing for study, contact us about your options.

## **ADDITIONAL REQUIREMENTS**

With 130 locations across the state, TAFE NSW tailors qualifications to meet the needs of the local community and specific student groups (like apprentices, fast-tracked and online students). To make sure this course is the right fit for you, we will need you to demonstrate that you can meet the additional requirements below.

To successfully complete this course, you will need to hold a Certificate III in Business Administration or other Certificate III level of study. Students entering the course with no underpinning IT and software skills need to complete gap training in their own time.

You need to complete 10 units which have been pre-selected after consultation with industry to ascertain the skills and knowledge required for the job role.

The expectation is that by enrolling in this qualification you commit to the time frame in which the qualification is being delivered. The proposed study schedule will be discussed and an individual training plan will be established. Should you fall behind your agreed schedule you will be required to complete additional work and learning outside scheduled class time.

# **Information Sessions and more about the course**
