## Course Description

This qualification is suitable for people working in a Work Health and Safety (WHS) role who work to provide leadership and guidance to others and have some limited responsibility for the output of others.

The qualification reflects the role of workers who apply a broad knowledge base and well developed skills in a wide variety of contexts and may include coordinators, advisors and facilitators.

### Licensing/Regulatory Information

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

## Entry Requirements

When you study with TAFE NSW, we want you to succeed. Entry requirements allow us to make sure that you have the right pre-existing knowledge and skills to achieve your chosen qualification. You will need to provide evidence that you meet the requirements listed in this section.

There are no entry requirements for this qualification.

# Information Sessions and more about the course

## INFORMATION SESSIONS

There are no information sessions currently scheduled for this course.

## STUDY COMMITMENT

This is a Part Time Evening Face to Face course. You will need to attend approximately 12 hours of class, 2 days a week for 26 weeks.

You may also be required to complete approximately 15.8 hours of additional study each week outside of class hours, including unstructured learning to problem solve and research practices and application in WHS discipline.

## IS THIS COURSE RIGHT FOR YOU?

This course is designed for people who are:

- existing workers
- seeking to add WHS knowledge and skills to their trade, engineering work experience, knowledge, skills and qualifications
- workers with work experience who are seeking to be promoted to positions where WHS knowledge and skills is a requirement for the position
- other workers seeking to take on additional WHS roles including HSR, WHS Committee member
- existing workers seeking to change career paths

We offer student services and study support to ensure you can achieve your goals. Learn about TAFE NSW [Student Services](#)

As a TAFE NSW student in this course, you will have access to:

- LinkedIn Learning (formerly Lynda.com)
- Studiosity - online access to a real life tutor
- Easy computing online short courses
- Access to local TAFE libraries
- Accessibility and Disability Support Services
- Access to Read&Write learning support software at TAFE and at home

## Attendance

To keep you safe while studying, some of our face to face classes may be replaced with online or connected learning. We have also modified our face to face classes to meet physical distancing requirements and increased cleaning on campus. As restrictions ease, the way you attend your class may change again. If work placement and the demonstration of practical skills are requirements of your course, due to the impacts of COVID 19 there may be a delay or modification in being able to undertake these aspects of your course in the planned timeframe. Be assured, we'll keep you informed every step of the way.

This course is currently scheduled on Monday and Wednesday from 6 pm to 9 pm. This timetable may change and will be confirmed by your teacher.

# Fee Details

## SMART AND SKILLED FEES

This course is government-subsidised, meaning you pay a portion of the full course fee to TAFE NSW and the NSW Government will pay the balance. However, you must meet certain eligibility criteria for this to apply.

Depending on your previous qualifications and experience, your fee may be less than the maximum fee quoted. Your actual fee and eligibility for concession/exemption will be calculated and confirmed during the enrolment process. Payment plans are available through TAFE NSW for Smart and Skilled eligible qualifications.

For further information about eligibility and explanations of the different fee categories, visit [Are You Eligible?](#)
