Course Description

This qualification is suitable for people who coordinate and maintain the Work Health and Safety (WHS) program in an organisation. It reflects the role of practitioners who apply a substantial knowledge base and well-developed skills in a wide variety of WHS contexts.

Licensing/Regulatory Information

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

Entry Requirements

All core units in BSB41415 Certificate IV in Work Health and Safety or equivalent competencies.

Equivalent competencies are predecessors to the following units which have been mapped as equivalent:

BSBWHS402 Assist with compliance with WHS laws

BSBWHS403 Contribute to implementing and maintaining WHS consultation and participation processes

BSBWHS404 Contribute to WHS hazard identification, risk assessment and risk control

BSBWHS405 Contribute to implementing and maintaining WHS management systems

BSBWHS406 Assist with responding to incidents

Information Sessions and more about the course

Attendance Information:

Students will need to spend a minimum 12 hours per week completing structured learning activities and up to an additional 15 hours of assessment tasks as per unit of the course timetable. As this is a blended delivery course, course work will be made available to you on Saturdays during the workshop and additional course resources and directives will be made available to you on the course moodle.

Workshops are scheduled on alternate Saturdays throughout the delivery period. You will be provided with a delivery schedule so that you can see when the workshops are scheduled well in advance. If you are unable to attend, all information and activities are posted on the moodle for you to access, although it is highly recommended you attend the workshop to take advantage of the practical application of the learning, collaboration with other learners and your industry expert, the teacher.

INFORMATION SESSION

Information Session/Presentation held on Wednesday 25 September 2019 at 6:00pm at St George Campus, Building F, Lower Ground Floor, Room FLG19. St George Campus is located on the corner of the Princes Highway and President Avenue Kogarah. If you want to find out whether this course best suits your career plan, please attend.

Did you know as a TAFE NSW student you have unlimited access to Lynda.com which is an online library of video courses in software, design, technology, communication, learning and business. These skills can help you to achieve your study goals. Visit the Student Portal to get started.

Attendance

Students will need to spend a minimum 12 hours per week completing structured learning activities and up to an additional 15 hours of assessment tasks as per unit of the course timetable.

Fee Details

Depending on your previous qualifications and experience, your fee may be less than the maximum fee quoted. Your actual fee will be calculated and confirmed during the enrolment process.

This course is approved for a Commonwealth VET Student Loan. If you meet the eligibility requirements, you are able to apply to the Commonwealth for a loan to cover all or part of your course fee. We will ask you whether you would like to apply for a VET Student Loan when you enrol and advise you of the process.

SMART AND SKILLED FEES

Depending on your previous qualifications and experience, your fee may be less than the maximum fee quoted. Your actual fee and eligibility for concession/exemption will be calculated and confirmed during the enrolment process.

For further information about eligibility and explanations of the different fee categories, visit <https://smartandskilled.nsw.gov.au/are-you-eligible>

PAYMENT OPTIONS AND ASSISTANCE

This course is approved for a Commonwealth VET Student Loan (VSL). If you meet the VSL eligibility and academic suitability requirements, you are able to apply to the Commonwealth for a loan to cover all or part of your course fee. We will ask you whether you would like to apply for a VET Student Loan when

you enrol and advise you of the process.

Find out more about VET Student Loans at <https://www.tafensw.edu.au/vet-student-loans>

Direct payment by Unit of Study instalments is available for this course.

The Units of Study and associated fees for this course are detailed below. Fees are charged on the census day for each unit of study. To secure a loan for part or all of your course, you must be eligible and submit a valid application to the Commonwealth for a VET Student Loan. You may withdraw prior to the census date without incurring a fee.

Find out about recognition: <https://www.tafensw.edu.au/enrol/recognition-credit-transfers>
